WEST POINT GOLF CLUB

ANNUAL GENERAL MEETING

Our Annual General Meeting will be held this year at the Clubhouse on Friday, January 29th, 1971 at 8:00 p.m. After the conclusion of our meeting, refreshments will be available.

Members are reminded that, although our 3-member nominating committee has drawn up a list of nominees for the 1971 term of office (list shown hereunder), they may make nominations for any office from the floor, and indeed, are encouraged to do so. Bear in mind, however, that the nominee must agree to stand for office, and if the nominee should be unavoidably absent from the meeting, the nominator must have the nominee's consent to stand for office in writing.

NOMINATIONS FOR THE 1971 TERM OF OFFICE - BY THE NOMINATING COMMITTEE

President - Dave Montador

Captain - Sandy Taylor 100

Vice-President - Doug Whittle

Vice-Captain - Pat O'Donnell (?) 7500

Directors (7 to be elected) 250 Secretary-Treasurer - Pete Hanton Rbn Fordman

✓ Don Close

✓ ~~Bernie Busch~~

✓ Jake Ingram

✓ Jim Patterson

✓ Cliff Gaynor

✓ Grant Wilson

✓ George Milne

✓ Chuck Menzies

~~Jesse Cove~~

You will note that there is a question mark (?) after Pat O'Donnell's name for Vice-Capt. Pat's acceptance of this nomination is conditional on the health of Pat's wife, and at this time of writing, we do not know how well Mrs. O'Donnell will be by the Annual Meeting night. If Pat O'Donnell is unable to accept the nomination, it is expected that one of the 9 nominees for Director would accept the nomination for Vice-Capt, thereby leaving 8 nominees to fill 7 positions on the nominating committee's slate.

THANKS BY THE PRESIDENT

Thanks and appreciation expressed by our President to his 1970 Executive and Directors for their fine work and support throughout the year; and in particular to Stew Smith, the Vice-President for his fine work as chairman of the House Committee, and his all-around assistance; to Pete Hanton, the Secretary-Treasurer for his financial and administrative work; to Sandy Taylor, our Captain and his able assistant, Vice-Capt. Jim Simpson, for their excellent work in running our competitions and in keeping handicaps; to Grant Wilson, chairman of the membership committee for guiding us in our Membership Selection Policy; to Reg Forde for auditing our books again this year; to all other Directors and those individual members who worked hard to help make 1970 a successful year; and last but not least, to our Pro, Harry Winder, for his co-operation and support as always. To all again, my thanks -

Jack Reid,
President, 1970.

WEST POINT GOLF CLUB

OPENING DAY

We are now approaching the start of a new season of golfing activities, and again, we will be starting with our Opening Day Breakfast and Annual President vs Vice-President Match on Sunday, February 28, 1971. Breakfast will again be at Dean's Restaurant on West 10th Avenue at 7:00 a.m., and first tee-off time will be at approximately 8:40 a.m. The draw for starting times will be held at the Clubhouse at about 8:15 a.m. Members are reminded to put their names on the list on the notice board in the Clubhouse if they intend to come to the Breakfast and/or participate in the Opening Day Match.

Again, we are having our usual social warm-up for Sunday's golfing activities in the form of our Pre-opening Day Smoker on Friday evening, February 26, 1971 at 8:00 p.m. This social event will give our new members an opportunity to meet the old members, and to start to get the feel of our club in a social way.

NEW EXECUTIVE & DIRECTORS

For the benefit of those members who were unable to attend our Annual Meeting, our 1971 Officers and Directors are as follows:-

President	- Dave Montador	Directors -	Grant Wilson
Vice-President	- Doug Whittle		Jake Ingram
Captain	- Sandy Taylor		George Milne
Vice-Captain	- Pat O'Donnell		Cliff Gaynor
Secretary-Treasurer	- Pete Hanton		Jim Patterson
			Chuck Menzies
			Don Close

The make up of the various committees will be published in the fixture card which we hope will be available to members by the night of the Smoker on February 26, 1971. As you can see by the list of new Officers and Directors, we have several new members, and we hope that all members will give their Board of Directors 100% support in 1971.

GENERAL NOTES

Any present member who does not intend to renew his membership in 1971 is requested to advise the President, the Captain or the Secretary in order that your Executive may have some idea of how many new members to admit to our Club, and also to obtain some idea of how many members will have overall in 1971.

Members are reminded that 1971 dues must be paid by Opening Day in order to participate in any Club event. In addition, the Directorate has stated that any member who is delinquent on March 1, 1971, will have his name posted on the notice board.

The Match and Handicap Committee wishes to inform all members that the Gilmour Shield Competition (the first one on our calendar), will have a consolation competition, as too many golfers are eliminated too early in this event. Details of the consolation event will be forth coming before Opening Day.

May we again remind all members of our Smoker on Friday, February 26, 1971, at 8:00 p.m., and of our Opening Day Breakfast on Sunday, February 28, 1971, at 7:00 a.m. followed by our Opening Day events at about 8:40 a.m. Hope to see you all at both of these activities!

Your Secretary,

Pete Hanton.

WEST POINT GOLF CLUB

OPENING DAY

As you are all very well aware, the weather has played a rather dirty trick on us this year, and has delayed our Opening Day, and Opening Day Breakfast. The way the situation looks at this time, we believe we should be able to hold our Opening Day activities - Breakfast and President vs Vice-President Match - on Sunday, March 14, 1971. Needless to say, if it snows again in any appreciable amount, the postponement would continue, but we think that such precipitation as we may receive from now on will be in the form of rain!

Because of our two-week postponement of Opening Day activities, it is quite possible that some members who intended to go to the Breakfast and play on February 28, may now be able to come on March 14. If any members, including new members, are aware of any change in their plans for participation from February 28 to March 14, please phone our Captain, Sandy Taylor at 224-7260 and inform him of your change of plans - either way.

GILMOUR SHIELD

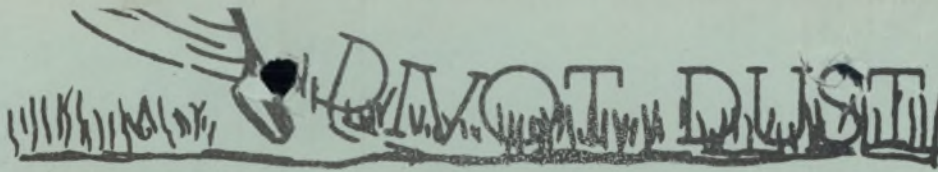

Since we have now missed two weeks from our 1971 schedule, some change will have to be made to the play for the Gilmour Shield which takes up our first 7 weeks in Qualifying and Match Play to conclusion. As mentioned in our February Divot Dust, it was the intention of the Match & Handicap Committee to initiate a Consolation Competition in the Gilmour Shield in order that more members could participate longer in this competition. We do not know, as yet, just what changes the Match & Handicap Committee will come up with in the 1971 Version of the Gilmour Shield, but we anticipate that the changes will be announced prior to the giving-out of the times on Opening Day.

So, if all members will keep their fingers crossed for good weather between now and March 14, we just may be able to get the 1971 Golf Season off to a late but good start! See you all at the Breakfast and at Opening Day activities next Sunday, March 14, 1971.

Your Secretary,

Pete Hanton.

P.S. President, Dave Montador, wishes me to remind all members that they should be on time at the Breakfast (7:00 a.m.) as the last 4 foursomes in the draw will be teeing off from the 10th Hole commencing at 8:00 a.m.

NEW GOLF COURSE MANAGEMENT

We are now into the second half of our season and the major news is the taking over of our golf course by the University Endowment Lands Administration. The official take-over was on July 1, 1971 and as we are all aware, the green fees have been raised effective July 1, 1971. This increase in dues came as a shock to all our members, but it was also apparently a shock to the Endowment Lands Administration. They had been sufficiently confident that fees would remain the same for the rest of 1971, that they had cards and slips printed to reflect the old rate.

However, the Cabinet decreed that the fees would be on the present scale if the Administration expected to have their proposed budget accepted, so there was no other alternative. This accounts for the delay in having the yearly green fee cards available, as they had to be reprinted reflecting the new rates. In any case, we are given to understand that all of the anticipated improvements to the course and more will be forthcoming, but it all will take time. The members will undoubtedly have noticed that there is sand in the traps, some new ball-washers, small trees planted designated by stakes painted white, and a considerable amount of undergrowth in the rough has been removed. This is only the beginning and we will continue to see further improvements made on the course from now on.

QUESTIONNAIRE TO ALL MEMBERS

Accompanying this Divot Dust is a comprehensive questionnaire covering pretty well all our Club activities which we ask all members to complete and return to a member of the Club executive, a director or put your completed form into the Match and Handicap Box in the Clubroom of the Clubhouse. We would like to have the completed questionnaires returned to us by the middle of August in order that the Board of Directors may consider all the suggestions made by members at the next Board Meeting in late August. We sincerely hope that all members will make a serious effort to complete the questionnaire and return it as outlined above.

GENERAL NOTES

The House Committee states that they will accept any prizes that members may be able to obtain or donate to be used as door prizes, etc., at future social events.

Captain Sandy Taylor wishes to remind all members that all score cards put in to the Match & Handicap Box should be properly marked as to why the card is being turned in - ie. - par points, qualifying for (competition), etc. Cards not marked will no longer be considered for any competition.

As members will notice from the accompanying questionnaire, members qualifying for competitions in future will have starting times allotted to them. This procedure is being followed on a trial basis, and comments on the procedure are invited in the questionnaire.

Our next social event will probably be the Monkey Golf, but definite plans for this next event have not yet been made, as we wish to determine the members' wishes in this regard through completion of the enclosed questionnaire. Details of our next event will be notified to members at a later date.

WEST POINT GOLF CLUB

September 1, 1971.

We are now heading into the home stretch of our Golf Season, and we find that we have only the Golfcraft and Quantas Shields to compete for, aside from the Closing Day activities. On the social side, we have our Monkey Golf Smoker, the Closing Day Breakfast and our Annual Banquet left on the menu.

MONKEY GOLF COMPETITION

Again this year, the Club Executive has arranged for our Monkey Golf Tournament to be held on Friday, September 10, 1971, commencing at approximately 6:00 P.M. The Monkey Golf is to be followed by a Smoker in the Clubhouse at which the House Committee is planning to hold some bingo games, and to provide refreshments which will be different from what we have had in the past. The Monkey Golf is a lot of fun, and we would like to see as many members as possible participate. We believe that all members will also enjoy the Smoker, so let us see a good turnout on September 10, 1971.

The Club Executive wishes to thank all Members who took the trouble to complete the Questionnaire sent out with the last Divot Dust and turn it in to the Executive. This is one positive way in which Members may bring their ideas, suggestions, beefs and what-have you on to the attention of Executive and Directors of the Club. We hope to be able to announce the winners of the prizes for the best suggestions in our next Divot Dust.

Hope to see you all at the Monkey Golf and the Smoker on Friday, September 10, 1971.

Your Secretary,
Pete Hanton.

AROUND GOLF:

University layout's new look

By ARV OLSON

The number one priority, Bob Murdoch was saying, is the condition of the golf course.

It was an understatement, Murdoch agreed, adding "this place is just crying for attention."

Hardly anyone would disagree with Murdoch, least of all those who have been regular patrons at University golf course.

But, at long last, the 41-year-old course is being rejuvenated by its new operators, the University Endowment Lands Administration office.

The University Endowment Lands, of which Murdoch is manager, officially takes over the course July 1. Mrs. John Baldwin of West Vancouver has held the lease on the Endowment property since 1950, taking over from her father, the late John Boyd, who built the course in 1930.

The job of restoring University to what it once was, a lush course on a fine layout, will take several years. Murdoch's list of improvements is lengthy.

"We plan to make many changes in the course," he said Tuesday, "but there will be very few changes in the current operation until the 1971 season is over."

He said all present personnel, including Harry Winder — who's been pro since the day the course opened, will be retained for the remainder of 1971.

"Once the course is restored, once it is self-supporting, we'll take a look at clubhouse and pro shop improvements and the addition of a driving range," Murdoch added.

He said the course improvements, to cost in excess of \$150,000, will be made over a five-year program.

Murdoch's crews already have planted 1,100 evergreens, replacing old alders on the course. "Evergreens," Murdoch explained, "will give the baked fairways more year-round protection from the sun."

Tenders will go out in June for the installation of a complete sprinkling system, he said. Old mat tees will be replaced by grass or artificial grass tees.

Greens already are being worked on and the fairways are to be levelled.

If, and when, a new clubhouse is built, it possibly will be relocated in the vicinity of the 14th hole — No. 1 hole on the original course plans.

"Any switches or course rebuilding are the last of our priorities," Murdoch said, "but we've got a 1930 clubhouse and parking facilities for 1971 demands."

BETWEEN TEES — Bill Hamilton, executive director of the Canadian Professional Golfers' Association, is flying here from Toronto to address the Carling Pro-Executive tournament dinner Friday night at Quilchena. The novel tourney, second in a series of Centennial Tour events, is a pro-am involving teams of one pro and three directors from local clubs . . .

Bob Cox toured his home course in one-under 71 to pocket \$125 as low pro in Quilchena's pro-am. Stan Leonard, Shaughnessy's Ron Wood and John Morgan of Victoria each collected \$88 for par rounds. Richmond pro Vince Baker's team — Tom Sorenson, Ron London and Gordon Hull — won with a net best-ball of 20 under . . . The pro-am tour moves to Marine Drive Saturday and Vancouver Club a week today . . .

Vancouver Canucks' Dale Tallon, 1969 Canadian junior champion, has entered his first B.C. tourney — the Victoria Cedar Hill Open, May 29-30 . . . Former Point Grey pro Leroy Goldsworthy is involved with a group of golfers who have formed a club within the course at Jasper, where he once worked and now resides . . . Doug Robb is back in golf, working under Bill Mawhinney at Chilliwack Meadowlands.

GALT, Ont. (CP) — 4:32 of the second overtime a 3-2 victory over Calgary and a 3-0 lead in games Cup hockey finals.

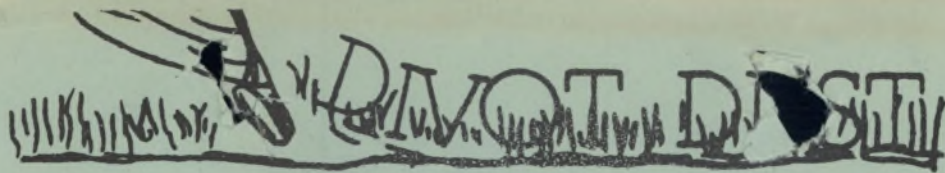

It was the second consecutive overtime winner for the Galt right winger, who drilled a low drive past Russ Gillow.

Ron Smith provided the pass for the winning goal, working the puck free in the corner and relaying to Dietrich. The goal ended a 74-minute - and - 32-second duel.

Fourth game for the Canadian senior A championship will be played here Thursday night. If fifth and sixth games are required, they will be here Saturday and Sunday.

The overtime goal ruined a comeback by the Stampeders, who trailed 2-0 after the first period, but bounced back with single goals in the second and third periods.

WEST POINT GOLF CLUB

October 20, 1971

Once again, our Golf Season is drawing to a close, with only the finals of the Golf-craft and Qantas Shields to be completed, plus this year, the newly inaugurated Seniors Competition. All these finals should be completed on October 24th, leaving only our Closing Day Activities remaining.

CLOSING DAY ACTIVITIES

Closing Day this year is Sunday, October 31, 1971, and will be started by our traditional Closing Day Breakfast, which will again be held at Dean's Restaurant, just down the street from the Clubhouse. Breakfast commences at 7:00 a.m. and we request that members who intend to come to the Breakfast put their names on the list provided for that purpose on the Notice Board in the Clubhouse. If any member intends to come to the breakfast and/or intends playing the Closing Day matches and is unable to get up to the Clubhouse to put his name on the list, he should contact some member of the Executive or a Club Director, so that his name may be added to the appropriate list.

The Breakfast will be followed by our Closing Day Captain vs Vice-Captain Competition, and the Reube Haack Shield is up for grabs by the Monthly Medal winner. It is the intention of the Match & Handicap Committee this year to have the starting times available at the Breakfast, and they hope to start some of the late foursomes off on the back nine sufficiently early to have these foursomes tee-off on the first hole at their scheduled time. The first foursome will probably tee-off at 8:30 a.m., but if it can be arranged, the late-starting foursomes (off the 1st tee) would start the second nine earlier than 8:30 a.m., hence we urge members to not only attend the Breakfast, but to come early.

ANNUAL BANQUET

Our Annual Banquet will again be held at the Point Grey Golf & Country Club on Southwest Marine Drive on Friday, November 19th, 1971. Dinner will be served at 7:30 p.m., but bar facilities are available from 6:30 p.m. Presentation of trophies and prizes will be made after the dinner to the winners and runners-up of our various competitions. We also hope to have some interesting guests and perhaps even the odd surprise! Again, we request that members expecting to attend our Banquet, put their names on the appropriate list which will be on the Notice Board in the Clubhouse. As this is the last Social Event of the year, let us see a good large turnout of members. See you there!

HANDICAP CARDS & BOOKINGS - OFF-SEASON

It has been decided that the Handicap cards will be up-dated to the end of October, 1971, and then left in the slots in the Clubhouse during the off-season (November to February inclusive). Members who play during this period will be expected to keep their own Handicap Cards up-to-date by posting their scores and up-dating their handicap accordingly. If the golf course has too many temporary greens, or is otherwise not playable as normally the member should not record his score when playing under these conditions. Only valid and recognized scores should be recorded for Handicap purposes.

An experiment in semi-permanent bookings for foursomes who play regularly during the off-season is to be put into effect starting November 7, 1971. Foursomes who wish to obtain a semi-permanent time (within a half-hour) during the period November to February, should fill in a form provided for the purpose, indicating the time desired and place this form in the competition box in the Clubhouse. Doug Whittle and George Milne will assume responsibility for allotting these times starting on November 7, 1971. It is requested that the form requesting the time should be put into the box by the Sunday preceding the Sunday the time is requested for. (i.e. for November 7/71 by October 31/71).

In closing, I again wish to remind all members of our Closing Day Breakfast to be held at Dean's Restaurant at 7:00 a.m. on Sunday, October 31, 1971 to be followed by our Closing Day Golf Competitions at approximately 8:30 a.m. Also, don't forget our Annual Banquet on November 19, 1971, at the Point Grey Golf Club. See you at Breakfast!

Your Secretary,

Pete Hanton.

THANKS BY THE PRESIDENT

My term as President is rapidly coming to an end and any success achieved this year lies solely with the other members of the executive. To be good as an executive, it requires a basic understanding of the purpose of the club and a great deal of hard work. Without singling out any individuals, I can only say that all members of the executive fulfilled both of these criteria for which they have my sincerest thanks.

1971 will probably be regarded as the "year of change" what with the course coming under new management, the retirement of Harry and a few different ideas for booking and smokers. However, the participation by members in the various tournaments and at smokers was, for the most part, disappointing. Other than the functions which were free, we rarely had 50% of the members in attendance. Some tournaments were not filled, even with the pre-booking for qualifiers which started this year. Without dwelling on the subject, 1972 is a new year and as members you should participate, not only for the club to function successfully, but also to recognize the efforts being put forth by your executive. They give freely of a great deal of their own time and the only way that they can see that this is being recognized is for you, as members, to participate.

Dave Montador, President.

NOTICE OF MOTION

Notice is hereby given that the outgoing executive will recommend to the membership at the Annual Meeting that our membership dues be raised from \$25.00 per annum to \$30.00 per annum for all members under 65 years of age. Members 65 years of age and older would continue to pay \$25.00 per annum.

Although not necessary to be indicated to members by a Notice of Motion, it is also the intent of the outgoing executive to recommend to the membership that Initiation Fees be increased to \$35.00 commencing with 1972 year. All new members accepted in 1972 would be obliged to pay the Initiation Fee of \$35.00.

The outgoing executive is also going to recommend to the membership that the captain's honorarium be raised to \$250.00, with no change recommended for the Secretary-Treasurer (\$250.00) nor the vice-captain (\$75.00).

FINANCIAL STATEMENT - 1971

Our annual Financial Statement is shown on the reverse side of this Divot Dust, and constitutes the Treasurer's Report for 1971.

OTHER NEWS

In case any member did not notice the news item in the sports pages of the papers, the B.C.G.A. has raised the per-member dues to \$3.00 from \$2.00, starting in 1972. This increase was approved at the B.C.G.A.'s Annual Meeting on January 28, 1972.

It is again proposed to have our Annual Pre-Opening Day Smoker on the Friday night before Opening Day, but the dates for these two events have not yet been decided, due in part to our current cold spell and to snow on the golf course. (over)

Members will be advised of these events in our next Divot Dust - probably in about three weeks time.

A REMINDER TO ALL MEMBERS

Pete Hanton.

WEST POINT GOLF CLUB

February 24, 1972.

NEW DEVELOPMENTS

As all members are well aware, there have been some changes made, not only to the Golf Course, its management, its professional and staff, but also to the fabric of our Golf Club. Many meetings between members of our Executive and Mr. Ron Willey, the new pro, and Mr. Murdoch, the superintendant of endowment lands, have taken place. A summary of the changes may be made as follows:

- (a) Complete elimination of Saturday and Holiday pre-booking. We must now book with the general public.
- (b) Elimination of our solid block of 25 times on Sunday.
- (c) Discontinuance of Monkey Golf - no free time on golf course.
- (d) Two blocks of pre-booked times for Sunday only - i.e. 7:00 - 8:30 (at 6 minute intervals). 10:30 - 12:00 (at 7 minute intervals).
- (e) Check-in time for any foursome must be at least 15 minutes prior to tee-off.
- (f) If a foursome is booked for a pre-booked time, 4 green fees or equivalent must be paid.
- (g) Opening and Closing Day full block of times will still be available and special arrangements will be made for the Club Championship.
- (h) Rain checks will be available at the discretion of the pro.

In addition to all of these changes affecting play, the Club appears to be obliged to open the membership to all comers who are willing to pay the new initiation fee (\$35.00 - passed at the Annual Meeting) and the new Club dues (30.00 for all members under 65 years of age - also passed at the Annual Meeting), and who otherwise qualify for membership according to our Constitution and By-Laws. At the recent meeting of the new 1972 Board of Directors, 62 such applicants were accepted into our Club.

It is customary for us to welcome all new members to our Club, publish their names in this Divot Dust and urge them to come to our pre-opening Day Smoker and participate in all our Social and Golf events. We do welcome all these new members and hope they will participate in all our activities, but space does not permit the listing of all names in this issue of the Divot Dust. However, we propose to welcome each new member individually at the Pre-opening Day Smoker on March 3rd.

OPENING DAY ACTIVITIES

Opening Day this year will be on Sunday, March 5, 1972, with the usual Breakfast to be held at Dean's Restaurant (West 10th Ave, 1 1/2 blocks from the Clubhouse). Due to the large expected turnout of members, there will be an early sitting for breakfast, and a later sitting to suit the relevant tee-off times. The times of the sittings and other information relating to tee-off times etc., will be announced at our usual Pre-Opening Day Smoker to be held at the Clubhouse on Friday evening, March 3, 1972. The bar will open about 7:30 p.m., with the business of the evening to commence about 8:00 p.m. The House Committee has a fine film of the 1971 Canadian Open narrated by Arnold Palmer, which we are told is excellent. In addition, other Special Entertainment will be presented, and will be different from anything we have had in the past.

In addition to the usual President vs Vice-President Match on Opening Day, the 1st round of the 72-hole medal competition for the Harry Winder Trophy, full handicap, will be played. All members with official handicaps will automatically qualify to play in this event. The Match and Handicap Committee will rule on the eligibility of any new members who may bring official handicaps with them.

PAYMENT OF DUES

All members are aware that no one may participate in the prizes of our Club if dues have not been paid prior to participating in a Club Competition. Hence, all members who participate in the Opening Day Golf activities must have paid their dues prior to tee-off.

(over)

Article 6 of the Club By-Laws on Delinquency reads as follows:

"The Annual dues are payable on the first day of February each year, and any member failing to pay before the 1st day of March shall be held as in arrears. Intimation thereof shall be sent to him and until his subscription is paid, he shall not be entitled to compete for any Club prize or otherwise to exercise any of the privileges of membership and if still unpaid on April 1st shall cease to be a member of the Club but he shall still be liable for his subscription.

It shall be in the option of the Directors to reinstate him on good cause being shown and on payment of arrears. No prize will be distributed to any member until such time as his dues are paid."

NEW OFFICERS AND DIRECTORS FOR 1972

Elected at the Annual Meeting of the Club on February 11, 1972, were the following:

President	- Doug Whittle
Vice-President	- George Milne <i>House -</i>
Captain	- Sandy Taylor
Vice-Captain	- Ron Erdman
Secretary-Treasurer	- Pete Hanton

Directors:	Don Close	Jake Ingram
	Cliff Gaynor	Bernie Busch
	Jim Patterson	Ralph Pasmore
	Chuck Menzies	

OTHER NEWS

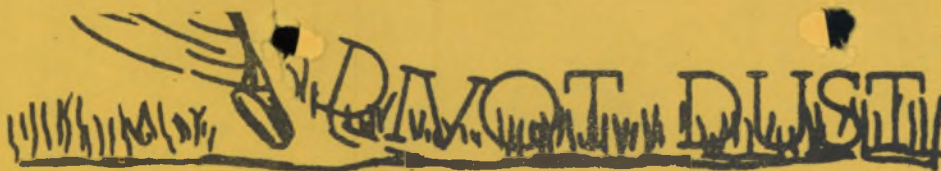

As mentioned above, the meeting approved the increase in Club dues to members under 65 years of age to \$30.00. The meeting also approved the increase in Initiation Fees to \$35.00. Your Club Executive urges members to co-operate with the new course management to make the new rules work, which will be to our advantage in the long run. We urge you to bring any complaints and "beefs" to us rather than take it out on the pro and his staff.

We hope that in the future, we may have some Saturday competitions, and members will be notified of any such development in future Divot Dusts, or by notices on the Notice Board. The Board of Directors have decided to carry on this year with the allotting of times on Sunday to members who qualify for competitions.

We again wish to remind all members of the Smoker on Friday, March 3, 1972, starting at 7:30 p.m., and of Opening Day activities on Sunday, March 5, 1972, commencing with Breakfast at Dean's. The first sitting will probably be about 6:45 a.m., with the second sitting about 8:30, but these times will be confirmed at the Smoker. Hope to see everyone at all these events!

Your Secretary,

Pete Hanton.

WEST POINT GOLF CLUB

May 16, 1972.

Our Divot Dusts this year are now appearing on a more or less monthly basis, and this edition may be considered to be the May, 1972 issue.

The main purpose of this issue is to remind all old members and inform all new members of our annual Putting Competition to be held at the Putting Green of the Course on Friday, May 26th, 1972, at approximately 5:00 p.m. Since we expect a large turnout, we request that members arrive as soon after 5:00 p.m. as possible, so that groups may complete the competition before it gets dark. Members form foursomes to compete in the competition, and also each member competes as an individual. Prizes are awarded to the winning and runner-up foursomes, to the individual winner and runner-up and to the individual and runner-up with the most holes-in-one.

After the Putting Competition, there will be a Smoker in the Clubhouse, where refreshments will be available. The House Committee have arranged for food (something different, they tell me!), and arrangements have also been made for some special entertainment. Sounds like a good "do" all around!

NEW COMPETITION

The Executive have come up with a good idea for a "get acquainted" Competition to be held June 17th or 18th, 1972. It is called the "Newcomer - Old Member (2 and 2) 4 ball Competition" and may be played either Saturday, June 17th, or Sunday, June 18th, with full handicap. Only one card should be turned in, and there will be prizes for the first, second and third teams. Foursomes should be formed by members with two new and two old members, and these groups should arrange for their own times. We hope as many new members will participate as possible, with the only limitation being lack of an official handicap. Good luck, everyone!

CHANGES AND ADDITIONS TO THE 1972 MEMBERS ROSTER

Included with this Divot Dust will be a Supplementary Roster of new members, which should simply be attached to your new 1972 Roster.

To the 1972 Roster, please add the following names, etc.

CHIN, Melvin	2466 West 8th Ave.	437-5557
CHU, Ben D.	3092 Garden Drive	872-1867
GOW, Earl	3449 West 38th Ave.	266-0515
GRAY, James	3404 West 18th Ave.	738-5017
RUNZER, Edward	2664 Edgar Cres., Van. 8	731-4864
RUNZER, Rudy	103, 5900 Olive St., Burnaby	433-9614
WEATHERHEAD, Brian	702, 5926 Tisdall St.	263-0255

CORRECTION:

Please change "Macdonald, Howie" to "McDonnell, Howie". (No other changes.)

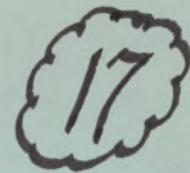

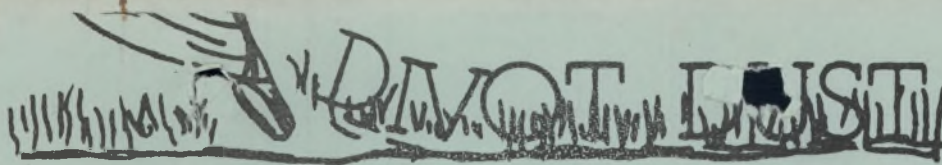

DELETION:

Please remove from your Roster. "Davies, L.E. (Bill)" - (now deceased).

All members are reminded that the Club Championship qualifying rounds (2) start this Sunday, May 21st, 1972. After the 36 holes qualifying have been completed, all members with handicaps are placed in flights according to their qualifying scores.

Don't forget the Putting Competition and Smoker on Friday, May 26th, 1972, commencing at 5:00 p.m.

Your Secretary,
Pete Hanton.

WEST POINT GOLF CLUB

November 14, 1972.

As all members of the Club are aware, our golf playing year has come to a close with our very successful Closing Day Breakfast and Captain vs Vice-Captain Competition. However, the highlight of our social season is yet to come, and that is our Annual Banquet.

ANNUAL BANQUET

Our 1972 Annual Banquet will be held on Friday, November 24, 1972, at the U.B.C. Faculty Club. A map or sketch of the area and how to get to the Faculty Club, and where to park accompanies this Divot Dust. Members going to the banquet from the city side, should go up 4th Ave., the 4th Ave. diversion and straight on to U.B.C. via the 4th Ave. side of Chancellor Boulevard. This should bring these members to the No. 3 Gate through which they go on to the parking lot shown on the map. Members coming from S.E. Vancouver, Marpole, Richmond, etc., may come along S.W. Marine Drive to N.W. Marine to Gate No. 4 and on to the parking lot.

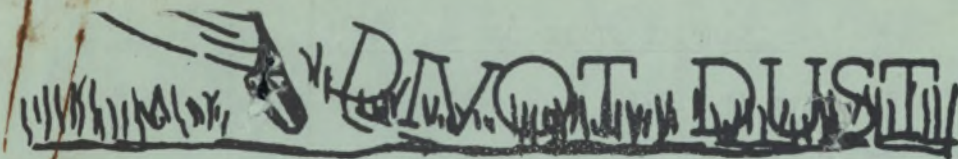

The time of the banquet is 6:30 p.m. for 7:30 p.m., and we recommend that members arrive sometime during this period, as we would like to start dinner at approximately 7:30 p.m. Purchase of drinks will be by ticket, and these may be purchased on the following basis: Beer - 50¢ each, and liquor - 75¢ each or 5 for \$3.00. In case our many new members are not aware of the procedure, all trophies and prizes won during the year by members will be presented to the winners at the banquet.

Incidentally, this year's banquet will be a buffet, with baron of beef being the basic item, but with all the trimmings, and all members and guests will obtain their meal from the buffet and then be seated for the actual meal. We understand "seconds" are in order if anyone wants one.

We urge all members to turn out for this fine social event, and if you have not already indicated that you will be attending by putting your name on the list on the notice board in the Clubhouse, please advise any Director of your intentions. It is quite likely you will be contacted by phone to see if you are attending, in order that the House Committee will know how many members will be attending.

Hope to see you all at the banquet at the Faculty Club on Friday evening, November 24, 1972, at 6:30 p.m.

Your Secretary,
Pete Hanton.

WEST POINT GOLF CLUB

January 22, 1973.

ANNUAL GENERAL MEETING

Our Annual General Meeting will be held this year at the Clubhouse on Friday, February 2nd, 1973, at 8:00 p.m. Please note that the bar will be open at about 7:00 P.M., but will close at 8:00 P.M., at the commencement of the meeting, then will reopen after the meeting.

Members are reminded that, although our 3-member nominating committee has drawn up a list of nominees for the 1973 term of office, they may make nominations for any office from the floor, and indeed, are encouraged to do so. Bear in mind, however, that the nominee must agree to stand for office and if the nominee should be unavoidably absent from the meeting, the nominator must have the nominee's consent to stand for office in writing.

THANKS BY THE PRESIDENT

The President will present his report to the members at the Annual Meeting, and he has indicated that he will give his thanks to the members of the Executive at that time.

NOTICE OF MOTION

Notice is hereby given that the outgoing executive will recommend to the membership at the Annual Meeting that the position of Secretary-Treasurer be split in to two positions, namely secretary and treasurer, but that the total number of Directors remain at 12.

It is again proposed to have our Annual Pre-opening Day Smoker on the Friday night before Opening Day, and we believe that Opening Day will be held either on Sunday, February 25, 1973, or the following Sunday, March 4, 1973.

It has been suggested that members may be interested in the approximate breakdown of each member's \$30.00 membership dues. The following is just such a breakdown and may also be used as a rough idea for the coming season's budget:

Opening & Closing Day Breakfasts	- \$3.50
Annual Banquet (net)	- 6.50
Social and Activity Nights	- 6.00
Prizes	- 5.00
Administrative Costs	- 9.00
	<u>\$30.00</u>

Your nominating committee proposes the following slate of Officers and Directors for the year 1973.

	<u>Executives</u>	Ron Erdman	Vic Smith
President	- George Milne	Jake Ingram	Reid Mitchell
Vice President	- Don Close	Ralph Pasmore	Gus Leonidas

- The draw is final - no switching or changing under any circumstances.
- No substitutes are permitted and there are no one man teams.
- The drawing of the 30 teams for the 15 Club times will take place. If more than 60 sign up for this event the first 30 pairs drawn will compete on Sunday the 14th.

- But the successful bidder (or syndicate) must be prepared to sell up to 50% of the team purchased to the team. The team will have one chance to exercise its option.
- The owners of the winning team win the pool.
- The auctioneer will not be concerned with making up syndicates - that's up to the individuals.

- An individual may bet on any number of teams (horse race betting).

- There will be no "Evacto" or "Quinella" betting.

THE RULES OF PLAY

- The rules of golf as laid on by the B.C.G.A. will apply.
- The scoring is the net total of both players in the team. Both balls are in play until holed out. No "gimmies" - no automatic double (or triple) bogies.
- The usual winter rules concerning "lies" will apply.

GET OUT AND HAVE A BALL - Enter THE PALCUTTA and sign up in Club Room immediately!

- If in doubt about procedure - all questions will be answered by M.C. Neil McIntyre.
