ANNUAL MEETING

KERRISDALE COMMUNITY CENTRE - Room 8

Friday, January 29th. Starting at 6:30 P.M. SHARP!

- Annual Reports
- Financial Statements for 1987.
- Election of Officers for 1988.
- Motions re: Participation requirements for Club Tournaments.
Establishing Social Membership
Increasing Annual Dues to \$60.

COFFEE and DONUTS FOLLOWING THE MEETING.

Happy New Year, lads - may 1988 bring you nothing but good times and of course, good golfing.

We enjoyed yet another successful West Point Golf Club Banquet in November. The Faculty Club came up big again - and our thanks go to Doug Whittle for once again putting his reputation on the line with his sponsorship. (While you're at it, circle November 25th 1988 for our next Banquet). We had 66 turn up - with a membership of 75 that's 88% turn out - not many organizations can boast that! A special mention to all those who worked hard to make the evening so successful - Norm Kent, Doug LeBlanc, Gord "the Pen" Munro, Frank Maynard, Neil McIntyre, Ed Angel and, as usual, I'm undoubtedly short a few names. Sorry about that! Congratulations to our old friend Bob Osborne for winning the big prize. Nice to see George Milne again!

Our next gathering is the Annual Meeting at the Kerrisdale Community Centre on January 29th starting at 6:30 sharp - BE THERE!

PARTICIPATION

We have a problem in our club - we have about 15 members who turned up for fewer than 8 games on club days in 1987. O.K., we appreciate that some of you have had health problems and some of you still work but once retired you will turn up regularly and some of you travel around a bit but what about the others? Perhaps it's time you reviewed your membership in the club. We have some members who show up only for the special events. Your Executive will be putting a motion on the floor at the annual meeting to require a minimum standard of participation on club days before qualifying for the Opening, Closing and Palcutta Tournaments. Think about it - is your membership doing anything for you and, more important, is it doing anything for the club?

As to health problems, the executive intends to place a motion before the annual meeting to re-establish Social Membership.

Finally re participation, if you do not intend renewing your membership your executive would appreciate knowing - thanks. A phone call will do.

THE ANNUAL MEETING:

Financial Report preview: Expenditures exceeded income by \$152.41 leaving a balance of \$1309.50 in the treasury at the end of 1987. A full report with printed statements will be available at the Annual Meeting.

Nominations for 1988 directors: The Nominating Committee will present the following slate to the Meeting:

For President: Roli Parker
 For Captain: Doug LeBlanc
 For Sec/Treas. Neil McIntyre
 For Vice Captain Ed Angel
 For Director Dave Fairweather
 For Director Roy Symons

Jesse Cove will be a member of the Executive as Past President.

Nominations will of course be accepted from the floor. However, if the nominee is not present the nominator must have a signed letter from the nominee that he accepts the nomination and will serve a full term if elected.

Our thanks go to Cliff Gaynor, Herb Crawford and Norm Kent, retiring directors for the many hours they have devoted to serving the interests of the West Point Golf Club.

Further Business at the meeting:

Besides the two motions previously noted, the executive will submit a motion to the membership to increase the annual dues to \$60 from \$50 and to keep the initiation fee at \$30.

We are naturally reluctant to ask for this - however, to keep up our program it is essential. In 1987 we had 27 new members join the club. As of year end, we had 74 members. Your executive stands four square behind keeping our active membership at 75. Twenty-seven new members last year brought in \$810 in initiations. We cannot expect anywhere near this in 1988.

Another "problem", and a lot of organizations would very much like to have this one believe me, is the high degree of participation in our social events.

Want more reasons? O.K. The per capita fee to the B.C.G.A. has increased from \$7.50 in 1987 to \$8.50 this year.

A fee increase of \$10 per member will bring in a further \$750. This plus initiations, plus a further modest draw on our treasury will enable your new executive to continue the normal programs expected in our club.

One further note on dues - the executive will recommend a social membership fee of \$45 per year, if the motion proposing social memberships is passed. Initiations would not be in question because the motion will require previous regular membership for social members.

See you at the annual meeting!!!

Cheers,

*See you at the meeting! 6:30 Sharp
 Happy New Year & the Very Best
 of Golf during 1988!*

FEBRUARY 1988

IMPORTANT DATES.

march 18th; Opening Day Smoker

Arbutus Village Recreation Centre

Time: 6.30 PM (located on Arbutus, South of 25th Ave in Woodward's Shopping Centre. Park at the South West corner and follow signs. Food and no host bar)

March 25th; Opening Day. Capt vs Vice Captain.

February 29th: Club dues to be in the Treasurers hands. Our Mailing address is: P.O Box 46471 Station G Vancouver. V6R 4G7 Well we got that off our chests, so now down to business. We had a most successful Annual General Meeting. Sixty members attended and that indeed was a quorum. Your newly elected executive for 1988 is:

PRESIDENT: Roli Parker

SECRETARY TREASURER: Neil Mc Intyre

CAPTAIN : Doug Le Blanc

Vice Captain : Ed Angel

DIRECTORS: Roy Symons & Dave Fairweather.

PAST PRESIDENT : Jesse Cove.

There were three motions presented at the meeting, all of which were moved, seconded, and adopted, and these briefly read as follows:

(1) That the annual membership dues be increased from \$50.00 to \$60.00

(2) That a Social Member status be created, and be available to members of at least two years standing at a cost of \$45.00

(3) To be eligible for club competition, a member must have played at least five games on club days with a club member within the last 12 months prior to the tournament event.

Your new executive met and already they are busy on your behalf. The following is the information they wish me to pass along to you:

PRESIDENT: Roli reports that the relationship between our club and the Pro Shop continues to improve.. He reminds us that we have no status as such and that he will continue to be our contact person, so please under no circumstances are you to assume that we have privileges. All complaints you might have concerning club activities must be directed to the executive.

SECRETARY TREASURER: We intend to publish five Divot Dusts. A lot of time and planning go into their production. Its our main source of information. Dont throw them away. Dues must be received by Feb 29th.

CAPTAINS REPORT: Fixture Cards will be ready and available at the opening day smoker and at tee off time. The notice board located at the rear of the Pro Shop shows all sorts of information pertaining to our club activities and must be referred to for information purposes. Sign on that sheet if you wish to be included in a foursome group. At the opening day smoker or at the opening day you may wish to indicate your desire to participate in a Honey Pot. If you do then you pay \$ 5.00 and each time you play the Captains group will deduct 50cents towards the pool. By the way, established handicaps prevail. Maximum 28 is the maximum normally permitted. ^(TOURNAMENTS) The July Eclectic trophy will be played in two divisions using gross scores. The format for all competitions will be posted on the Club Board. Stay informed.

MEMBERSHIP ; Roy Symons in charge. Five new members coming in. Come to the smoker and welcome them: Wm Clysdale, Harvey Cook, John Gilliland, Sw Bill Gerard, Terry Olson & Charlie Mc Kay. That brings our total to the maximum of 75. It is with regret we report the passing last November of Connie Lewis.

HOUSE: Dave Fairweather has already confirmed arrangements in connection with our social events and promises that our opening day smoker will be worth attending. Films will be shown which will no doubt improve your game and from what I have seen everyone should come. Its possible that Alvie himself will join us and offer some help in the chipping department. If not Mc Intyre will be available??????? It must be obvious to you by this time that the future of our club is in good hands, but as has often been said and bears repeating that an executive is only as good as the membership and if we all do these things expected of us then the 1988 year is assured.

GENERAL: You have a working executive. If things are not going along to your satisfaction let them know. As an executive our only aim is to provide the membership with the best possible entertainment. To ~~xxxxxx~~ fully enjoy the year ahead, stay informed and cooperate. Its the start of another season. We, the executive wish you well. You are reminded that it is your responsibility to place your cards in the box located in the Mens Washroom. Faulty cards will be discarded. Handicaps will be reviewed every second Friday. May this year be your best year yet.

SEE YOU AT THE SMOKER

GOOD GOLFING AND HAPPY TIMES TO YOU ALL

DIVOT DUST
JUNE ISSUE

June

1988

Carnoustie G & R Club. The site of

our Friday out tournament. It is on June 24th, a Friday, and to get there one drives through Coquitlam towards the Pitt River Bridge, but before you come to it look for Art Knapps on the left and the street past Arts is Dominion. turn left to the course. This is the only Friday away tournament we have and as such will feature par points and honey pot together with other goodies. We do not have our first tee time yet but by next friday that info together with the draw will be available. Make sure the captain has you on the list. Dont enter and not go. Thats a nono and costs the club money. The "money Hungries" hold us to the number we give them.

TOURNAMENT CHATTER

In spite of the adverse weather, our tournaments progressed very well indeed. Our Captain and his staff are to be congratulated. Norm Kent and Frank Haylett tied for the championship the last time outand so have to do it all over again. Norm Clark won the first event of the year with a net of 216 for 54 holes with Don (missed a putt) Close running up with a 217. Honey pot is doing fine but the amount was cut from 50 cents to 25 cents per player. Why you ask? At 25 cents Ed Angel does not have to contact you again this year. July #1 a Friday, no play. Monthly Medal on July 8th. Dougie and Eddy are no pleased with a number of you. (a) you are not putting out and you are moving the ball about when the ball should not be moved about. On other than Fridays you can do what you like but on Friday its competition day and the rules apply. (b) Please complete score cards. That means entering such things as handicap, differential and all the little things that go to completing a score card. You can do it. (c) dont forget ye olde ball marks and divots. Anyone who takes a divot or makes a ball mark should know how to fill out a card. That lets a number of us out!!.

EXECUTIVE CHATTER

Your board meets religiously on the first Tuesday of each month. We make those major decisions. We count the money we have and who is spending it. At our last meeting we had some \$4567.69 in the bank and all committees were operating well within their allotted budget. We have a special fund (inherited from the old group) consisting of monies to be used towards junior developement. Last year we gave the McCleery Junior Programme \$200.00 and we did so again this year. My yhey were happy and I have a letter on file to prove it. We still have a full complement of members with four on the wait list and as faras we are concerned all is going fine. If you do not agree let us know in writing. Its your club too. Dont complain too often if you wish to avoid being on next years executive!!

HISTORY

Since our last communication an opening day smoker occured, which while poorly attended proved to be a huge success. Our thanks go to

Bob Jack and Norm Kent for their cooperation. Opening day was a wash out although some 38 had good intentions (some even played).

GENERAL CHIT CHAT

Roli (our president) just returned from his sojourn South and I mean South. Like Australia and New Zealand. He had a marvellous time and highly recommends it. Super affordable golf courses. Nice to have you back old dear. Poor Roli has shoulder troubles, serious enough to curtail his golf. Why dont you tell us where you have been and any info which might help future travellers. Don Renshaw for instance was over playing in Austria. He was in other parts too. Bet he did good. No doubt the "snow Geese " have returned from their holidays in the Southern U.S. We shall expect their companionship, soon.

PEOPLE ON THE MOVE

Herb Crawford has moved to Surrey. His new address is as follows: 15446 94th Ave V3R 9C9 Phone 589 7197. Art Oliver has sold the old family home and he too is Surrey bound. No further details. One of our older (younger) members, and I wont mention names, is tying the knot sometime soon. To all of you making these moves may we wish you every happiness in your new location. By the way, I hear that Jack derbyshire has also moved. New location is Coquitlam. Lets know where you are chaps. We Care.

OBITUARY

It is with regret we announce the passing of one who has been known to us for many years, Joe Johnson. You will recall Joe was marshall at Mc Cleery last year. A great many of us attended his memorial service. Joe was a fine golfer but better still- He was a fine man We shall miss you Joe.

CONCLUSION

The spelling is not perfect, the use of the language has been abused but hte sentiment is there. Hopefully you will find what has been said interesting. Perhaps there are other items not contained herein, that you like reported. If so lets know.

Next Sunday is Fathers Day and so to all who are, and those who tried and to those who are not quite sure, we wish you all a Happy Day.

AUGUST 1988

THIS IS AN IMPORTANT DOCUMENT. It must be retained by the recipient. READ ITS CONTENTS AND THEN FILE FOR FUTURE REFERENCE.

It has been a good summer so far, and the course is playing great. The proof of this is reflected in the scores turned in. As a club we thank all at McCleery, not only for the shape the course is in but also for the cooperation we enjoy from the Pro Shop staff. We receive no special favours. We are not entitled to them but it is nice to be shown courtesy and consideration and that we get in bundles. Next month is a "biggie". All the information you require in connection with the big event is attached. Get lots of practice in between now and then. Here in sequence are the dates and arrangements for these important events.

CLOSING DAY: October 28th, Ten times booked. Overflow arrangements are the same as mentioned under the Palcutta. A nominal charge will apply to those having lunch. Make it friendly. Invest \$3.00. This is another good guy versus bad guy tournament. (If the fog doesn't move in and the "slowies" get moving perhaps we shall all finish before dark.

ANNUAL BANQUET. NOVEMBER 25th. This is a Biggie.

The club has always deemed itself worthy of a Big night out and this is it. We honour our champions and pay tribute to ourselves for another successful, and we eat well. You will be called on this one and it is of the utmost importance that you commit yourself. Hopefully you will all attend, but if for any reason you cannot make it please so indicate. The dinner event takes place at the Faculty Club. U.B.C. As usual the non host bar opens at 6.30 p.m. and dinner is at 7.30p.m.

Nearly forgot this one. We were going to call it the Cliff Gaynor Stag, since it takes place on **AUGUST 26th** at **REID Mitchells** place just up from the course at 6537 McDonald, thats between Marine Drive and 49th Ave. The cost is \$3.00 for a beer and Sandwich and the time is from 11.30 A.M. until ~~2x~~ 2.30P.M. Bring a chair. Its handy to sit on. (No Cliff it was not intentional, it was the only date available to us but regardless we wish you and yours every happiness)

Well that takes care of our social committments. Now to the otherthings.

WALKING WOUNDED.

Our esteemed is the bearer of bad news and there is no one in our club more esteemed than the old Grandad Rollie Parker. Rollie has a badbad shoulder which has to be attended to and may cause him to be out of golf for some time if not for longer. Rollie old dear. The entire club joins me in wishing you well and a speedy return to the ranks. We need you. Billy Thornton is having his moments too. You may not be the worlds greatest golfer Wullie, but as a person you are a hole in one. Get well soon. Where are you Willie Stafford? Is the old slugger under the weather. If so get better soon. And what about jock Berry. Do we see you soon? Hopefully the old ticker is pulsating normally. Wes Brisseau havent you got your hair cut yet? We havent heard from you either. Jimmy Simpson is taking things easy and for good reason. Get well soon. Our honarary President George milne was seen up and about the other day looking well indeed. He is off to Cleveland next month to visit with his old war pals. Way to go George. Our Captain is over at Montreal fighting a kind of wat too. (now you can move your ball- hes no lookin) To the no sae weels, get well soon and to the vacationers, have fun.

Special congrats to our new Club Champion Norm Kent and to his runner up Frank Haylett. It was a good victory but not an easy one . The boys battled fiercely. Well done both of you. John Gilliland and Frank haylett shared the honours in the July eclectic with 69s. Good show guys. Tykie Kannelles improved by some 25 strokes during the tournament. Told you the course is in good shape.

Special thanks to Mr & Mrs Norm Kent and to Mr & Mrs Bob Jack for their support in making our smokers possible at the Arbutus Centre.

JOTTINGS: Not much left to say. Hope I have said it all. For the sake of the newer members and the not so sures, please remember your executive can only do so much. To be a member of this club, unique in that it functions without course priveledgse, you have to do a lot for yourself. Enjoy the rest of the summer and dont forget to check the bulletin board every Friday. Its located in the gents washroom (no kidding)

The season is nearly over. For some of us it was spectacular, to others it was much less. By on large it was a good year. The course suffered from the long drought, but still we managed. Your executive met faithfully on the first Tuesday of each month and did what they could under circumstances which are less than favourable. We do not have a course where prebooked times are available to us and this has caused some to be dissatisfied. Some have accused us of not "passing the information" along. We spent \$ 14.82 on a cork board and negotiated with the pro to have a place within the gents washroom to hang it. Its on the wall by the shower. Miss the other part and walk round the corner and ye shall find it. We have a big date coming up on Friday November 25th. Its our annual banquet at the Faculty Club. Its costly so if you are not coming please call Dave Fairweather at 263 4473 and so advise him. We want you there, but if for any reason you cant make, call Dave, prior to November 18th.

Closing Day, October 28th. We are shooting for turkeys, the balance of the Honey Pot and the Presidents vs the Vices. Our 1st tee off time has been advanced to 11 AM and a \$3.00 lunch voucher will be given all who attend. Really worth showing up for. If you need a game call Doug Le Blanc or Ed Angel well in advance of the date. They will fix you up. Now back to the cork board in the Gents. Handicaps are posted there, as are the tournaments results (including all that transpired at the Palcutta. Ill give you some information on that all important event, but if what I present is insufficient, then visit the board.

Two most important motions were made at the last executive meeting and passed unanimously and these are as follows " That the dues for 1989 remain unchanged" The next motion is as presented to the meeting

The West Point Golf Club is a club for golfers who enjoy competitive golf at the club level. Its social function is secondary. We have too many members, who, for whatever reason, are not playing golf with the club. For example, we have had to date, (Sept 30) 22 club days. Twenty members out of 75 have yet to play seven Friday play days, over 25% of our membership.

Therefore be it resolved that : To maintain regular membership in the West Point Golf Club, it is necessary for the member to have played a minimum of ten rounds on the "home course" (currently Mc Cleery) on regular play days (currently Friday) each year with club members. Members who are unable to comply with this requirement for medical or physical reasons, may apply for relief by making a written request to the executive committee. Relief will not normally be granted for a second year. This resolution will become effective with the start of the 1989 year. Members will be required to play the stipulated ten rounds in 1989 to be eligible to continue membership in 1990 and so on. Members who anticipate difficulty in fulfilling this playing requirement in 1989 for medical or physical reasons are urged to consider associate membership.

A couple of misspelled words, but I'm sure you will figure it out. I have a terrible time putting too. Our esteemed president is in "dock" getting himself a new shoulder. Good Luck old dear. Bobbie Jack sent us a nice card from Bonnie Scotland. Thanks Bob. By the way, before you all go tripping off on your various sojourns, the cost of membership for next year is \$ 60.00. Send me your cheque now if you want to. We must have the dues in by December 31st (yes this year) You can postdate them for that date if writing cheques imposes some kind of hardship, but we must have your cooperation in this matter. Our annual meeting will be sometime in the new year and we must know before we go to that meeting just how we stand. You will have another DD before the year end. We shall be seeking members in good standing for next year's executive. Care to volunteer? Give us a call. We need new blood. Thanks to all who helped at the Palcutta smoker and the event itself.

AA special thanks is due Bob Jack & Norm Kent and their respective spouses for their cooperation for having made it possible to have our smokers in the very excellent Arbutus Centre.

That's it me hearties. Have a good winter (if there is such a thing) Remember if this was not your year, next year might be.
