January 1989

Do you ever get the feeling that the golf pro is telling you to keep your head down because he doesn't want you to see him laughing?

— The Comedy Center

Well another year is over and here we are again on the threshold of a new one. Your President and his executive wish you and yours all that is good for 1989, and hope too, that as a golfer this will be your best year yet.

I have lots to say in this epistle, most of it important, so please read it first and then toss it into the garbage. This will be my last Divot Dust, and so as a parting gesture I feel qualified to state that this is the Clubs principle means of communication between its members and those involved in its production spend hours putting it together. Do us a favour, at least note the dates we provide you with, together with any other pertinent information we publish. That makes the job the executive do so much easier. In the last Dust we asked that all club dues be in by December 31st and that there be no post dated cheques. To the 34 members who responded we thank you. So much for the Dust. Well, here is an important date coming up. Please note and attend.

FRIDAY JANUARY 27th 1989

Annual General Meeting

Kerrisdale Legion

(on 42nd Ave between West Blvd And Yew, enter free park off Yew)

TIME: 7 P.M.

No refreshments will be supplied. However, there's lots of beer and what not available, at your own cost upstairs in the bar.

This is most important. We have a number of prospective members on our waiting list. 1989 dues must be paid by the time the meeting commences. If you do not plan to attend the meeting mail your cheque to the club address immediately. That address again is as follows:

West Point Golf Club, P.O. Box 46471 Station G Vancouver V6R 4G7

To the members who are not continuing their membership please call me at 738 2443 and let me know that you are indeed relinquishing your membership in the club. We shall admit into the Club as many new members as there are retiring or unpaid dues members at the time the A.G.M. commences. It's not that we are getting arbitrary over dues, but we do open at the beginning of March and the executive has much to do to set the wheels in motion and it is not fair on them to play games with dues. Cliff Gaynor, i/c nominations person has come up with the following slate of Officers for the 1989 term:

PRESIDENT: Doug LeBlanc. SEC TREAS: Ed Angel. CAPTAIN: Dave Fairweather

DIRECTORS: Roy Symons, Frank Maynard and Fred Walsh.

PAST PRESIDENT: Roli Parker.

Nominations will be accepted from the floor, but if you intend doing so make sure the person you are nominating has accepted and agreed to run for office.

There are some very important issues affecting the club coming up at this meeting and your presence will help to assure that whatever is approved is the feeling of the majority. It is after all your club. I saw the fixture card today for the oncoming season and it looks good. To see Mc Cleery now would make one wonder if we shall ever golf there again. Right now it would make a super dupper swimming pool. Never mind it will recover and by the way of information the new seniors rate for an annual card goes to \$285.00. For non seniors the rate is \$ 14.50. Card carrying players are now required to show their card at the coffee shop counter and receive a receipt before proceeding to the Pro Shop. On the flip side of this " rendering " is the Treasurers report. You may wish to study it and ask any questions you may have concerning this part of the Clubs activities or any other for that matter at the A.G.M. Mind you I still ask myself the same question " Where else do you get two smokers, two lunches. B.C.G.A. membership and a Banquet, together with prizes and good companionship for \$60.00 " ?

TREASURERS REPORT

Statement of receipts and Disbursements for the year commencing January 1st 1988 and ending December 20th 1988.

The difference between Receipts and Disbursements equals \$1817.91 and that figure matches the Bank Statement dated December 20th 1988.

BALANCE SHEET

As at December 31st 1987 and December 30th 1988

<u>ASSETS</u>	1987	1988
Cash in Bank	* 1309.50	* 1817.91

T U C Share	5.00	5.00
Junior Dev Fund	** 494.67	300.23

<u>LIABILITIES</u>	None	none
--------------------	------	------

* The difference between the cash in bank figures shown and the assets at year end is the \$810.00 of 1989 club dues deposited into our account and that amount belongs in the 1989 year.

** The amount shown is held in a separate account at The Royal Bank of Canada, Broadway & Granville Branch in A/C # 750-193-3 and has been willed to be used expressly for Junior Development.

It is obvious from the figures provided in this report that we continue to be solvent. Notable increases in costs are evident in the House and Captains accounts. It cost us \$2.00 more per person to eat at the Faculty Club and the cost to cater to the smokers increased. Dave Fairweather is to be congratulated on providing us with a super year in terms of eating enjoyment. Golf balls are much more costly than anticipated and that added to the cost of providing balls for prizes.

Well me hearties, we have bared our souls and are no richer. Hopefully you enjoyed your year. Ta Ta and Good Luck.

TEE OFF TIME FOR A NEW SEASON ! !

"Greetings and best wishes for a great year of good
golf and friendly competition with every member participating"

ANNUAL MEETING 1989 got off to a slow start . . . Only 33 enthusiastic members
turned out, January 27, at the Kerrisdale Canadian Legion for a review of the past
and a look to the future . . . President Roli welcomed and thanked everyone for
helping to make 1988 a successful year . . . Appreciation was expressed for the
excellent cooperation received from Professional Alvie Thompson and his staff . . .
Special kudos were extended to the outgoing Executive for a job well done . . .

REPORTS Treasurer Neil reported a sound financial status with a year end bank
balance of \$1007.91 . . . Captain Doug indicated all competitions were successfully
concluded, although the number of entries could be improved . . . Membership, Roy
reported that 4 new members have joined and others are in the process . . . Social,
Dave reported good turnouts at the Smokers and Annual Banquet, and suggested that
consideration be given to less Smoker refreshment expenditure with an increase in
Competition prizes.

RESOLUTIONS Four important Resolutions were approved for the good and welfare
of the Club.

Membership - "To maintain regular membership in the West Point Golf Club, a member
must play a minimum of 5 Friday games with Club Members on the McCleery
Golf Course, each year."

Fees - - - - "The fees for 1989 shall be . . . Regular Dues - \$60.00, Associate
Dues - \$45.00, Initiation Fee - \$50.00."

in 1990."

It is important to note that the eligibility rule for Club Competitions is also in
effect. . . . "A member must have played a minimum of 5 Friday games with Club
members within the past 12 months to be eligible for all Club
competitions and the Palcutta."

MEET YOUR NEW EXECUTIVE . . . And join with them to make this 57th year of the West
Point Golf Club . . . The most active ever ! !

President	Doug LeBlanc	681 - 4582
Sec./Treas.	Ed Angel	228 - 9268
Captain	Dave Fairweather	263 - 4473
Vice Captain	Roy Symons	274 - 3996
House	Frank Maynard	278 - 7658
Membership	Fred Walsh	261 - 1985
Past President	Roli Parker	272 - 5385

The Executive meets the first week of each month to discuss and plan Club activities.
A great amount of work is done to make an interesting golf year for everyone . . .
The support of every member is needed to make 1989 an "Every Member a Participant"
year. . . . Here are some ways every member can help . . .

COMMUNICATION . . . Is always a problem but use of the Club's communication vehicles,
the DIVOT DUST and BULLETIN BOARD can be a great help . . . The Divot Dust brings
news of Club and Member activities, announcement of Coming Events, Special Club
Rules, Winners of Competitions, etc. . . . The Bulletin Board is a day-to-day
information centre for all Club activities, Sign up Sheets for Events, Draws, Handicaps,
Competition Format, etc. . . . Every member can keep up with "what is going on" by
checking the Bulletin Board each playing day.

PARTICIPATION . . . Club Competitions, Away Games, and Friday Club Days have had fewer
participants than expected . . . On average less than 50% of the members joined in
these activities last year . . . We need to do better.

COURSE ADMINISTRATION . . . Our Club enjoys an excellent rapport with the staff of the
McCleery Golf Course . . . We can maintain this cooperative relationship by referring
any Club problems to Captain Dave, who will be our contact with the Course.

INPUT . . . To make communication complete, Member input is needed. If you have any
information (travel, fantastic scores, anecdotes, illness, questions or suggestions)
contact Ed Angel or drop a note in the Score Card Box, Attn: Divot Dust.
There will be six issues of the Divot Dust this year.

SEASON OPENING . . . Friday, March 31, the unbelievable happened . . . a day without rain . . . our long delayed Season Opening finally got underway . . . Thanks Dave and Roy for arranging this interesting and informative program to start the season . . .

If you have any problem or feel that there is a better way . . . Contact any of the above . . . It is your Club and your ideas are needed . . . Monetarily the Club is in good shape with a bank balance of \$4486.71 and a Junior Development Fund of \$319.25.

A BARGAIN ! ! !

Where in the golfing world can one find a bargain like the one offered by the West Point Golf Club ? ?

Beside the excellent fellowship, friendly competition and healthy exercise . . . Every member is entitled to:

WHY DON'T WE GET BETTER TURNOUTS ?

Only a bare 40% of our members enter our Competitions . . . This figure is reached after the Captain makes dozens of phone calls . . . The phone calls should not be necessary . . . Each member has a Fixture Card (Competitions & Dates), The Divot Dust (Notice of up coming events), Bulletin Board (Every Event with a sign up sheet is posted at least a month in advance) . . . Yet, "I didn't know about the Competition" is often heard. . . We are a playing Club . . . We all like to play golf . . . Help your Captain . . . Check the Bulletin Board . . . If only 40% enter our Events, something must be wrong . . . Let the Captain know why you aren't playing.

THE CAPTAIN SAYS ! !

TRIVIA ! !

The odds against a Hole-In-One are 10331 to 1 . . . By calculation, if you play 50 games a year with 4 par 3's per round, you may get a Hole-In-One by the year 2039. . .

An unbeatable runnerup in the Hole-In-One Derby is Gordie Munro. On Wednesday, May 31, Gordie hit a 7 iron to the pin on Hole 3. By measurement the ball stopped 3/4 inch from the hole. Many a tear was shed.

TOURNAMENT WINNERS

Angel Trophy . . . 4 Ball, 1st & 2nd Ball

The team of Frank Maynard and George Spilos dusted off all competition to become the 1989 4 Ball Champions.

They defeated such power laden teams as Cartwright & Aylwin, Stafford & Symons, and Chrystal & Whittle who were Runnersup.

Defending Champions, N. Clark & E. Angel fell in the 1st round to the smooth stroking team of B. Gerard and J. Hann.

More entries are needed in this Tournament next year.

Carnoustie . . . Away Tournament, Monday June 26.

32 avid golfers toured the challenging Carnoustie Golf Course and managed to line the murky water holes with copious numbers of golf balls. The day was enjoyed by all despite some very trying holes. Of note was the outstanding 12 strokes by G. Munro in his attempt to empty a sand trap.

Then there was N. McIntyre, who couldn't stand the pressure of his fantastic shot closest to the pin on #8, by putting his back out picking up his ball.

C. Menzies, 68, \$6.75

(18-up) - G. Aylwin, 69, \$9.00

IN MEMORY OF JIM SIMPSON

We are all saddened by the passing of our longtime member, Jim Simpson. Jim was a friend to all who knew him. In thought and deed, he was a true sportsman. His love of the game of golf made him a leader and strengthening influence in our Club. Although plagued with physical problems in the later years, he still maintained contact with his many golfing friends and always had a cheery word and smile for all. We will long remember Jim's two great holes-in-one in the same week as a high spot in his long golfing career. We shall miss you, Jim.

MEMBERSHIP

Now is the time to invite your friends and golfing buddies into our 1990 membership . . . There may be some openings in our membership at the start of the 1990 season . . . Or : Give to Ed Angel, Secretary/Treasurer

In explanation . . . The small increase in Regular Membership Dues of \$10.00 for 1990 was authorized at the Annual General Meeting, January 27, 1989. . . The Executive approved the increase at its regular monthly Meeting, September 5, after a careful study of the Club's finances . . . The increase was found to be necessary to meet the ever increasing cost of carrying on the activities of the Club . . .

- (1) Printing Costs (Divot Dust, Minutes, etc.) are climbing . . . Postage is going up again . . . All social activities (Banquets, Smokers, Brunches, etc.) cost more . . . Golf ball are like buying gold . . . Trophies and Engraving prices are increasing . . . An endless spiral.
- (2) For the past few years a 'draw down' on the Club treasury has been taken to balance the yearly deficits . . . This is no longer possible. The bank balance has been depleted to a minimum.
- (3) There is no fat . . . All Executive work is on a voluntary basis with no reimbursement at any time.

The minimum increase will make it possible for the Club to continue the many amenities it has provided over the years . . . Such as . . .

"Membership in the B.C.G.A and R.C.G.A . . . Entry in all Club Competitions
An authorized handicap service . . . All issues of the Divot Dust . . .
A fixture card and roster . . . Opening Day and Palcutta smokers . . .
Annual Banquet . . . Weekly ball prizes . . . Tournament trophies . . .
Opening and Closing Day brunches . . . Plus loads of fellowship and friendly competition . . ."

Where can you find a better deal for \$70.00 ? ?

Be sure to pay your dues before you go on your winter vacation and before December 31, 1989 . . .

"Consent of the Member nominated must be received before the nomination is made."

Recommendations for Consideration

The following motions, recommended by the 1989 Executive, are to be considered . . .

1. Due to the difficulty of keeping an accurate record of days played by members, who are unable to participate regularly due to personal or family illness, occupation demands, change of residence, family commitments, and a host of other valid reasons, along with the desire of the Executive not to unjustly suspend any member, the following change in the "5 Game participation rule to maintain regular membership" is recommended.
 - a. There shall be no participation requirement to retain regular membership.
 - b. The 5 game requirement for Competition Eligibility shall be retained.
 - c. All previous motions participation requirements for competitions or membership shall be rescinded.

The following motion is presented . . .

BE IT RESOLVED, that

"To maintain Competition Eligibility in the West Point Golf Club, it is necessary for a member to play a minimum of five (5) 18 hole rounds with Club Members within 12 months of the date of the Competition. The rounds must be played on regular Friday Playing Days on the McCleery Golf Course, or at games played on Golf Courses of Scheduled Club Away Tournaments. There shall be no participation requirement to maintain regular membership."

cont...../2

2. BE IT RESOLVED, that

"The retrogression system for breaking ties in all handicap net score events be adopted, as recommended by the RCGA."

ie: If the net score is tied at the end of 18 holes, use;

- (1) 5/6 of handicap against the gross score after 15 holes.
- (2) 2/3 of handicap against the gross score after 12 holes.
- (3) 1/2 of handicap against the gross score after 9 holes.

Half strokes or over count as a whole stroke.

Less than half strokes are disregarded.

3. BE IT RESOLVED, that

"Regular playing members, who join the West Point Golf Club after July 1 in any year, shall receive a 25% reduction in Annual Dues for that year. Associate Members and Initiation Fees shall receive no reduction."

Annual Banquet

The 1989 Annual Banquet held at the Bella Casa Restaurant was an outstanding success. We owe our thanks to House Chairman Frank Maynard and his Committee for making the excellent arrangements, and to Tyke Kanelles for pointing out that the Bella Casa was a great place for a banquet . . . To Captain Dave Fairweather and Committee for a well organized Awards ceremony . . . To our Members, who turned out 61 strong to support the event.

Monetarily, the Club came out the big winner . . . Despite the 9 No-Shows that the Club had to pay for, the Club ended up with a total Banquet cost \$600.00 less than last year. It should be said, that members should not sign up for an event, if they aren't going to come. It gets expensive at upwards of \$25.00 a head.
