If you feel this has any merit, please be good enough to let me know by phone - 980-9985

CONCLUSIONS

Entering the West Point Golf Club's 59TH YEAR (1932-1990) of existence am sure ears some very pleasant Nostalgia for a large number of our members.

From Green Fees of 50 cents to in excess of \$15.00, from sand & water tees to the multi-coloured wooden tees of to-day, from wooden shafted golf clubs to the exotic alloyed shafts and score card pencils with an eraser on them.

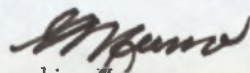

Passing of the 'Gauntlet' year to year, Executive to Executive, changes in the personnel has always amazed me as a sideliners. It always seemed that the necessary "experience" had its hand firmly on our Golf Club Tiller - You can't operate a Golf Club for 59 years without doing a lot things right - Survival for one. THANKS TO ALL THOSE RESPONSIBLE - STAY WITH US.

To quote 'Andy Rooney' whining approach,

"Did you ever wonder why in Golf they always reward the player with the lowest score. You'd have thought like in Hockey, Football, Baseball or for that matter any other sport, the more the better, Eh!!"

"Did you ever wonder why in Golf the player who hits a 'perfect shot', called a hole in one has to buy everyone in the clubhouse bar a drink on him, did you ever wonder, Eh!!!"- Strange game.

The man who blames fate for other accidents, feels personally responsible when he makes a hole-in-one.

HEALTH OF OUR CLUB MEMBERS

As of this date, the general health as reported by our unnamed Surgeon General of our Club is GOOD. At any given time there are a number of members in for tests-tests and more tests, mostly I hope as a result of the current status of their golf game.

FOR ALL THOSE BORN BEFORE 1945

We are SURVIVORS!! Consider the changes we have witnessed. We were born before Television, Penicillin, Polio Shots, Frozen Foods, Xerox, Plastic, Contact Lenses, Frisbees and the PILL. We were born before Radar, Credit Cards, Split Atoms, Laser Beams and Ball Point Pens. Before Pantyhose, Dishwashers, Clothes Dryers, Electric Blankets, Air Conditioners, Drip-Dry Clothes....and before man walked on the moon.

We got married first and then we lived together. How quaint can you be? In our time, closets were for clothes, not for "coming out of". Bunnies were small rabbits and rabbits were not Volkswagens. Designer Jeans were scheming girls named Jean and having a meaningful relationship meant getting along with our cousins.

We thought Fast Food was what you ate during Lent, and Outer Space was the back of the Outdoor Theatre. We were before House Husbands, Gay Rights, Computer Dating, Dual Careers, and Commuter Marriages. We were before Day-Care Centres, Group Therapy and Suntan Parlors. We never heard of FM Radio, Tape Decks, VCR's, Electronic Typewriters, Artificial Hearts, Word Processors, Yogurt and Guys wearing Earrings. For us, Time Sharing meant togetherness....not Computers or Condominiums. A chip meant a piece of wood. Hardware meant hammers and nails and software wasn't even a word.

Back then, "Made in Japan" meant junk and the term "making out" referred to how you did on your exam. Pizzas, McDonalds and Instant Coffee were unheard of. We hit the scene when there were 5 and 10 cent stores, where you bought things for five cents. The dairy sold Ice Cream Cones for a nickel or a dime. For one nickel you could ride a Street Car, make a Phone Call, buy Orange Crush or enough Stamps to mail one letter and two postcards. You could buy a new Chevy Coupe for \$600....but who could afford one? A pity too, because gas was 11 cents a gallon.

In our day, GRASS was mowed, COKE was a cold drink and POT was something you cooked in. ROCK MUSIC was a grandma's lullaby and AIDS were Helpers in the Principal's office. We were certainly not before the difference between the sexes was discovered, but we were definitely before Unisex and "Operations". We made do with what we had. And we were the last generation that was naive enough to think you needed a husband to have a baby.

NO WONDER OUR KIDS DON'T UNDERSTAND US!!

RAMBLINGS

- (1) After much research from a variety of unreliable sources, it has been determined that the OLDEST Active Playing Member of the West Point Golf Club is our Charlie Barker - How Old You Ask..... ASK CHARLIE.
- (2) Where's Wes Brisseau - Anybody seen him. Maybe he ran out of Practice Golf Balls.
- (3) Sure was nice to see both of our Associate Members out to our Smoker - Tim Eaton (better known as D/S) and Bill Stafford, way to go fellows.
- (4) George Aylwin was commenting and was overheard to say that if that Divot Dust Reporter Misspells or Mispronouns my name once more, I may Tatoo my name on his

June 15th, 1990

Hi Fellows:

Here goes with your 3rd edition of the Divot Dust for 1990 and is all about:.....

MEMBERS SCORE CARDS - HANDICAP EXPLANATION - SLOW PLAY - BULLETINS - GOLF ETIQUETTE

Hey !!! - Don't hang up, read on, hope you will be impressed with contents. Thank You.

Your President, Club Captain and all members of your HARD WORKING Executive have sanctioned that a REVIEW of the above subjects in this issue of the Divot Dust, during our current MONSOON SEASON would be time well spent.

Most members have been at this game of golf for a long time and feel knowledgeable on most aspects of the game and therefore for protection purposes only of this Editor and your current Executive am including the disclaimer - (E.&O.E.)

PRESIDENT'S COMMENTS

A question often heard ! ! ! What is the Competition today ? ? ?

The Captain's Committee is doing an excellent job in keeping TWO BULLETIN BOARDS (Locker Room and the outside wall of the Pro Shop, above the Drinking Fountain, which is put up each Friday) filled with Club Activity Information (Competitions, Sign-Up Sheets, handicaps, Winners, Playing Rules, etc.)

EVERY MEMBER NEEDS TO MAKE A HABIT OF CHECKING THE BULLETIN BOARDS EACH WEEK...KEEP UP WITH WHAT IS GOING ON IN THE CLUB....DON'T RELY ON JOE TO DO IT FOR YOU ! !

Handicaps - When well kept will equalize play among players of differing abilities.

TO MAINTAIN A TRUE HANDICAP EACH PLAYER IS RESPONSIBLE FOR: ---

1. Holing out ALL putts NO Gimmees.
2. Observing the Course Rules, on Water Hazards, etc., and the Rules of Golf as they apply.
3. Observing the PREFERRED LIE RULE as adopted by the Club.
4. Turning in a Score Card/Differential for each 18 hole round played, NO MATTER what course is played.
5. Turning in all BAD scores as well as GOOD scores.
6. Turning in a complete, legible and attested score card - Individual or Foursome depending on competition entered.

ACCORDING TO THE RULES FOR MAINTAINING CORRECT HANDICAPS

1. If a Player knowingly plays an 18 hole round without turning in a card or posting a differential, his handicap may be decreased.
2. When a Player has fewer than 20 differentials posted, his handicap shall be revised as follows: ---

5 games -	1 Lowest Score
6 games -	Average of 2 Lowest Scores
7 games -	Average of 3 Lowest Scores
8 - 9 games -	Average of 4 Lowest Scores
10 - 11 games -	Average of 5 Lowest Scores
12 - 13 games -	Average of 6 Lowest Scores
14 - 15 games -	Average of 7 Lowest Scores
Etc. to 19 games	

It is hoped that this minimal explanation will point out the Horrendous Task the Handicap Chairman has to maintain a TRUE HANDICAP for all Members.

Players who are uncertain about making out a CORRECT SCORE CARD (Differential, Par Points, etc.) please contact the Captain's Committee.

Good golfing, everyone.

CAPTAIN DAVE FAIRWEATHER'S REPORT

We had a full commitment of 48 for the Lake Padden event on May 14th, but three had to pull-out resulting in a field of 45.

Of the 28 who entered the 54 Hole Handicap Stroke Play - McIntyre Trophy event, only 19 were able to submit cards for the three rounds. The Winner was Bud Brown with a Net 198, followed by Joe Dwyer as Runner-Up at 205. The final round was completed on May 18th.

Discussions took place by myself with Alvie Thompson and some of his staff members, as well as with Sandra in charge of the Coffee Shop with a view to improving conditions for those attending on Thursday morning particularly, to obtain their queuing position. I proposed that the queuing number discs be moved to the cashier position in the Coffee Shop. In this way people could gain shelter and partake of food and beverage as desired. After review Alvie felt that it was too risky a procedure to apply every day as it would have to and could complicate the existing procedures and necessary communications emanating from the Pro Shop. He therefore decided that it should not be introduced. I told him that I appreciated his concerns and accepted his decision. I also advised however that as a means of maintaining better order for the Thursday morning line-up only, for queuing numbers, we were going to introduce a roster for sign-up. This would serve to confirm the queuing order and allow those who had signed on, to relax in the Coffee Shop when it opens and enjoy shelter and a coffee, etc.

A Queuing Roster sheet for use on Thursday morning only, was prepared and put into use on Thursday, May 31st, under inclement weather conditions and appeared to serve a useful purpose. A clip board to accommodate the Roster Sheet was provided by Ed Angel. Doug LeBlanc purchased 10 additional discs.

A total of 40 was the final count of those signed up for the 4 Ball Angel Trophy event. Pairings were made to establish 20 teams and foursomes were identified to facilitate the booking of starting times. The Qualifying Round was completed on June 1st after a rainy night but with the forecast of improving conditions. Only Joe Davies failed to show, with the result that Don Sutton his partner is eliminated. The low qualifiers were the team of Bud Brown and Alex Ratka with a Total Gross of 176. The Match Play sheet was posted June 3rd and advice went out to member of each match on June 2nd.

MOTION: Fairweather/Haylett that, in order to qualify for entry into the 4 Ball Angel Trophy event a Member must have a handicap of 36 or less and that when teams are established each member shall use his regular handicap for match play.

A purchase of nine dozen golf balls was made - five from the McCleery Pro Shop, the balance from Riverside. Reimbursement has been received.

The Sign-Up sheet for the AWAY event at Carnoustie on June 25th was posted on May 27th. The first 40 to sign up will be assured of play, starting at 0900.

As a result of the Squamish cancellation, the question of organizing individual foursomes to Squamish versus another visit to Lake Padden was opened with a number of members, with the result that a booking was made for Lake Padden on September 17th (Monday) with a start time of 10:30 am and a maximum of 40 players

Squamish Cancellation explanation: - The Fee Structure quoted by the General Manager for our Group to play was \$28.00 per member with NO concession for Seniors. The Captain felt this was too high so he did not make a booking. He suggests that some members may still wish to go to Squamish and book individual foursomes at the regular senior rate.

Handicaps were revised effective May 22nd and for those with less than 20 differentials on record - their handicaps were reviewed and revised as required as of May 30th and will continue to be revised on a weekly basis. The revision of handicaps every two weeks is now in effect with the latest revision effective June 2nd.

In the interests of facilitating play of our Members, we'll try the following:.....

- If you wish to play on a Friday and are not lined up with a foursome - call me Dave Fairweather at 263-4473.
- If your foursome is to be short please let me know as well.
- I'll then be able to fill holes or make up a foursome, etc.
- Call 263-4473, before 1900 on Wednesday to allow for Thursday morning booking of times.

PRESIDENT ED ANGEL IS COMPILING A LIST OF MEMBERS WHO JOINED THE CLUB BEFORE 1950 AND WHO ARE STILL TO BE FOUND WITHIN THE MEMBERSHIP. IF YOU KNOW OF ANY SUCH, PLEASE BE GOOD ENOUGH TO CONTACT ED AT 228-9268.

Captain Dave's further comments

An individual score card must be submitted for entry to any competitive event, i.e., Monthly Medal, Par Points, Honey Pot, Event, Qualifying.

IF YOU DON'T DROP ALL OF YOUR PUTTS - DON'T TURN IN A CARD, AS GIMME PUTTS ARE NOT ACCEPTABLE IN COMPETITIVE PLAY.....

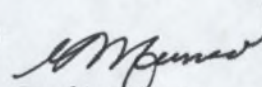

If none of the above are to be entered, a group card with name clearly printed and with differential recorded is O.K.

Under the heading of Slow Play and Golf Etiquette the following comments

- (a) Slow Play is not like the weather, we CAN DO something about it and should.
- (b) Can you answer these questions objectively: - Who's Up, Who's Away, Practice Swings, Finish putting, where possible, Ball marking & cleaning on green, Yakking while others are putting. Marking Score Card on green after all putted out. Carts on wrong side of green for next hole. Chipping, take putter with you. Tell the scorekeeper your score without him always asking.

IN MEMORY

We are saddened by the recent passing of long time member JACK DERBYSHIRE. Many of us remember him as an avid golfer with a perfect swing. Although failing eyesight and ailing legs limited his play in recent years, he enjoyed our competitions whenever possible and was always on hand with his trusty camera to record many of our get-togethers. Jack was a friend, who will be missed by everyone.

CAPTAIN DAVE'S REPORT

The following competitions of the ANGEL TROPHY, CARNOUSTIE AWAY GAME, PARKER SHIELD ECLECTIC, UNIVERSITY AWAY GAME, AND PUTTING CONTEST were all very hotly contested. Our weekly activity results are outlined on Page 3 of this edition.

The ANGEL TROPHY finalists were Norm Clark and Doug LeBlanc vs Roy Symons and Greg Reynolds. And the WINNERS were Roy and Greg.

CARNOUSTIE Away Game was attended by 35 members and the big Winner over all was Harvey Cook.

PARKER SHIELD ECLECTIC - This four week tournament was won in the 1-18 handicap by Doug Symonds with 68, second was a three-way tie at 71 won by Bud Brown (BB9), John Gilliland and Roy Symons. 19&Up handicap was won by Marcel Guiguet with a 72 and Bill Cartwright was second with a 73.

UNIVERSITY - This 3rd Annual Inter-Club competition was won by the West Point Golf Club by 12 1/2 points to 7 1/2 points with 39 players participating.

It should be duly noted that our first HOLE-IN-ONE by a West Point Golf Club Member in 1990 was made by JOE DAVIES at the University Course. Vital Statistics: - Wednesday, July 11th, the 11th Hole, using a 6 Iron and No.1 White Pinnacle Golf Ball. Understand this was Joe's first hole in one - CONGRATULATIONS and keep it up Joe.

PUTTING CONTEST JAMBOREE - Our first effort at this kind of contest and 40 members turned out and had a great time. A lot of effort by Dave and his Committee for a fine effort, assisted by Ed Bobinski, Ed Angel, Gord Munro, Doug LeBlanc, Marcel Guiguet and Greg Reynolds. If you didn't attend, you missed a good thing. Here comes da Judge !!! - Patti you did a great job in judging the "RIG-OF-THE-DAY" MOST STYLISH ----- Ed Angel, MOST OUTRAGEOUS ----- Dave Fairweather

Winners - 1-18	1. Norm Kent	34	3 Balls
	2. Doug Symonds (playoff)	35	2 Balls

Thanks to Alvie and Patti for providing the banners, sticks and markers to make this a very enjoyable event.

GOOD AND WELFARE

Reid MITCHELL - Understand that Reid is at home and on the mend and just about to start on Plan A again. Good Luck Reid, all looking forward to seeing you again.

John DICKINSON News regarding John is that he is Under The Weather and going through a series of tests. We all wish you the best of luck John for a speedy recovery.

Le FOUNTAIN - Under the Heading FLABBERGASTATION - 'You Got To be Kidding'

Scenario - Hot summer July in front of Pro Shop at McCleery at High Noon, busy movement of golfers around the Drinking Fountain and next in line for refreshment of water, decides to start to wash his golf clubs in the Fountain, in place of drinking.

Sequel - Person was quite perplexed when reminded by our Head Pro, Alvie who was a witness to this scene, that how would be like it if he wanted a drink and this happened.

October 15th, 1990

Hi Fellows:

Am taking the liberty of trying to put our Golfing Year of 1990 into focus by using as few words as possible (easy for you to say) to describe it all, from the point of view of your elected Executive. PAPERWORK, DOCUMENTATION, RECORD KEEPING and a GENERAL HOUSEKEEPING of our Clubs many activities has certainly made it easier to keep all the members well informed and able to answer all questions that come up.

Results of our golfing activities since our last Divot Dust in August were our Club Championship, Palcutta Smoker and Palcutta Tournament, second visit this year to Lake Padden were all posted on the Notice Board. Congratulations to all Winners. Coming events for the balance of the year.

Results of the WPGC Low & High Shields competition, now under way

Closing Day Tournament - October 19th. Sign up sheet on the Notice Board

Annual Banquet November 23rd. Bella Casa Restaurant

Annual General Meeting January 25th, 1991 - McCleery Club House

Special mention should be made of Chuck Menzies, not only for winning our Club Championship but on September 26th, Chuck shot a round we could all be proud of, he shot his age.

CONGRATULATIONS Charlie.

First - Our current Bank Balance as of September 20th is a cool \$7,575.65

Second - Our Membership is steady at 89, 86 Active, 2 Associate and 1 Honorary.

Third - The general Health and Welfare of our members is good.

Many Thanks to Alvie Thompson and his staff in the Pro Shop and Sandra and her staff in the Clubhouse, the Greenkeepers for the great condition of the course, in spite of the very necessary punching of the greens. What with our beautiful warm summer weather and the number of rounds of golf turned in with the Senior Golf Pass at \$5.00 per 18 holes makes for a pretty gentle parachute into the 21st century of 1991 and a very short winter in this Evergreen Playground on the West Coast of Canada. THANK YOU VANCOUVER.....

EIGHTEEN REASONS WHY YOU COME BACK FOR ANOTHER GAME OF GOLF ON ANOTHER DAY

1. The trail of a putt breaking across a dewy green early in the morning.
2. Running through sprinkler spray on a 95-degree afternoon.
3. Finding a new ball in the rough after you find your own.
4. Swinging in a soft sweater on a chilly day.
5. Iron clubs clanking together when you pull one out of the bag.
6. Pulling on a perfect-fitting new golf glove.
7. Breaking a wooden tee with a good iron swing on a par 3 hole.
8. A putt that lingers on the lip for several agonizing seconds...and drops in.
9. Getting off the first tee creditably in front of a hard-staring crowd.
10. A wayward drive bouncing back into play off a helpful tree.
11. Parrng the No.1 Handicap hole.
12. Outdriving the guy who outdrives you every hole when you play together.
13. Making a birdie following an "X".
14. The entire foursome hitting good drives and walking up the fairway together chatting proudly.
15. Finding your ball in the hole after searching for it over the green.
16. Hearing the scratch player in your group call out, "Nice Shot!".
17. Hitting the green with a second shot over trees from the wrong fairway as you hold up two impatient foursomes.
18. Making a four-foot putt on the final green with all the bets riding on it.

I M P O R T A N T to get your attention, this is about the G.S.T.

Enclosed with your Divot Dust this month is a Membership Form, to be used when paying your 1991 WPCG Annual Dues. It would be very much appreciated if it is filled out COMPLETELY.

GOLF IS NOT GOOD FOR YOUR HEALTH by Mike Royko (don't know who Mike Royko is)

There's no sport about which so many outrageously false claims are made as golf. For example, if you picked up an ad that said you could suddenly become a sensational baseball player if you bought a particular baseball glove or bat, you would snort in disbelief.

But open any golf publication and you will see page after page of ads that claim this golf stick will give you incredible distance, that golf ball will defy gravity, and this golf book will give you the 10 secrets of the ancient Scots to the perfect golf swing.

It's all nonsense. The proof is that golfers spend billions each year buying this stuff. And 95 percent of them are terrible and will always be terrible.

With a few exceptions, there are only two sure ways to become an outstanding golfer:

1. Be born a rich kid so your father can pay a professional to teach you how to play when you are six years old.
2. Be the son of a professional golfer, so he can start giving you lessons when you are six years old.

But golfers refuse to believe these truths. They rush to buy the ball with the most dimples, the driver with the meteorite head, the putter with heel-toe-eye-ear-nose weighting.

Then, after they swing and the ball plops into a bush behind them, they wonder: "Can the problem be me?" And they ask a pro to look at their swing, saying: "Do you see anything wrong?"

If he were truthful, the pro would say: "Yes I see that you are uncoordinated, hopelessly inept, in terrible physical condition, and there is not the slightest possibility that you will ever be anything but an embarrassment to the game of golf, to yourself and to your loved ones, I suggest you take up bowling. Even if the ball goes in the gutter, it will roll in the right direction."

Instead, the pro nods sagely and says: "I think you need just a little more shoulder turn."

And now comes the most outrageous golf claim of them all.

While thumbing through a golf magazine, I found a news item that said some golf organization had commissioned a medical study.

The study claims that golf is excellent exercise and, therefore, it is good for one's health. Lies, lies, lies. Not only is golf not good for you, it is bad for your health. The proof is right in front of our eyes. Go to any golf course and look at the bodies of golfers. It looks like a national belly competition.

Next to Japanese wrestlers, golfers have the most misshapen, unsightly bodies of any athletes. No, it's worse than that. They have the worst bodies of any group of people outside of the Cook County morgue.

I'm not talking about the trim, muscular professional golfers we see on T.V.

They aren't real. People don't know it, but a couple of decades ago, the Government began secret experiments in genetic engineering. In other words, cloning. These experiments have led to the modern golf pro, the professional basketball centre, and football's defensive linemen.

But that's another story. Golf, as it is played by most cart-riding wheezers, is not only less exercise than walking the dog or knitting, but it can destroy a healthy person.

Ninety-nine per cent of all golfers suffer from stress. The bad golfers, the great majority, are filled with stress because they are bad. And somebody behind them is yelling that they should play faster. And every time they hit a ball into a pond, they have lost \$1.50. What other game fines you \$1.50 for doing something that has already plunged you into depression?

The few good players suffer from stress because they are playing with or behind bad players. And they know that to remain good, they must practice for long hours at a time. This makes their wives unhappy, and they retaliate by making their husbands unhappy.

That's why golfers rush from the 18th hole to the nearest bar. Their nerves are frazzled. So they drink to calm their nerves. And their noses get red and their hands shake.

A study by the internationally respected Institute of Random Guesses shows that by the time they reach 50, at least 87 percent of all golfers end up with red noses. The Institute also found that the average Bird Watcher will live 27.5 years longer than the average golfer.

You ask what my qualifications are to make these statements?

It happens that I am that rare creature, an outstanding golfer, at least I could be. It all depends on whether my new sticks with the shafts made of compressed moon fragments are as good as they say.

NOW WE GET DOWN TO THE GOOD STUFF - DIVOT DUST ENQUIRER TABLOID'90

The following GOSSIP, RUMBLINGS, RUMORS, HEARSAY, LIES, LIES and more LIES from very unreliable sources, uncovered, unconfirmed by an under paid Roving Divot Dust reporter:.....

Gordon Crosson

There have been a number of complaints registered with the R.C.G.A. about Gordons new Driver. Evidently the square grooves have given him an unfair advantage in his putting.

Ireland Boys

How come - both born in the month of December, one hits left and one hits right???

Frank Haylett:

Somebody asked Frank if the 'Tempo' note on top of his Driver was just another way of reminding him, had he taken out the garbage this morning.

The Bankers

Chuck, Doug, Joe & Ron have just officially received final approval from the CBA (Canadian Bankers Association) for their application to use a Credit Card Machine to handle their golf business betting.

Harold King

Unconfirmed but somebody thought they saw Harold in the McCleery Pro Shop in a pretty 'heavy' discussion with the Head Professional, Alvie Thompson on the merits of the correct position of the right elbow on the "inside-to-outside" golf swing.

Tyke Kanelles

Credit of the Year comment by Tyke - My GROSS 81 score the other day can be attributed directly to his ingestion of Garlic and Olive Oil, which he takes regularly.

Greg Reynolds

Overheard on the 1st tee at McCleery that this was the last time Greg was playing 6's unless they let him use his new 'Differential Club'.

Doug Whittle

Talk about speed and conversion under pressure, from Curling to Golf in one easy lesson, never missed a stroke, his Opening Day was only upset by his golfing partner failing to remove a straw from his putting line.

Neil McIntyre

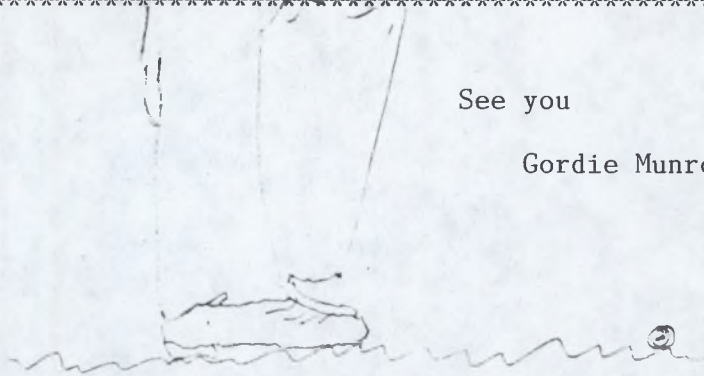

Rumor is that having made a real good golf purchase of a new set of Clubs, Bag, Balls, Tees, Markers, Head Covers for a fantastic price, was completely upset because the package did not include a golf umbrella - WELL !!!!!!! Neil into each life a little rain must fall.

Bert Borton

To be announced any day now that Bert had been awarded the coveted ELOCUTION PROFICIENCY PLAQUE in his personal presentation to a Golfing Fraternity group on how to shank a golf ball, when you didn't want to.

See you

MERRY XMAS EVERYONE
with
BEST WISHES FOR A HEALTHY AND PROSPEROUS NEW YEAR

THE 58th ANNUAL GENERAL MEETING
of the
WEST POINT GOLF CLUB
will be held
FRIDAY - JANUARY 25, 1991 - 7:00 PM
at the
MCCLEERY GOLF COURSE CLUBHOUSE

YOU ARE INVITED . . . To hear the reports of your Executive on the condition of the Club . . . To elect the members that you wish to run your Club . . . To voice your opinions and help to make plans for the New Year . . . To keep in contact with your fellow members for fun and fellowship . . .

BUSINESS TO BE TRANSACTED

- Reports of Officers and Committees.
- Financial Statements and Yearly Budget.
- Amendments to the By-Laws.
- Resolutions recommended by the 1990 Executive.
- New business from the floor.

PRESIDENT'S REMARKS

You will note that our 58th Annual Meeting will be held at the McCleery Clubhouse. I was very pleased to obtain the use of this facility for our meeting, and a very special thanks go to Sandra McSorley, Clubhouse Manager, for her interest and cooperation.

With rearrangement of the chairs and tables seating will be available for more than 100. An added plus will be that coffee and donuts or something will be available following the meeting.

It is hoped that we will have a large turnout to indicate approval of this new venue for our Meetings.

In an effort to provide a voice, by the Seniors playing at McCleery, I prepared a Petition which was signed by nearly 100 Seniors . . . Copies of the Petition were sent to the Vancouver Board of Parks and Recreation and the Vancouver City Council . . .

THE PETITION READ

" We the undersigned Seniors Golfers, strongly protest the proposed unconscionable increase in the Senior 50 Game Green Fee Ticket for the Vancouver Municipal Golf Courses. The increase of 16.8% on the 50 Game Senior Ticket in relation to the increases of 4.5% on the Regular Daily Rate and the 4.8% on the Senior Daily Rate is flagrant discrimination. This disregard and lack of consideration for the Senior Golfers, who play for healthful exercise and fellowship, will force the majority of them from the sport that they enjoy and require to maintain their physical well being.

Thus, the mandate of the Board of Parks and Recreation to provide recreational facilities on a fair and equitable basis for all citizens will be tarnished and open to rebuke by the citizens of the Municipality.

We urge reconsideration of this outrageous policy and return to sensible increases more in line with the Cost of Living Index. "

1990 has been an active and successful year. Our membership has grown and the participation level has increased . . . I wish to thank the Members of the Board and the Volunteer Committeemen for a job well done . . . To the Members, thanks for the support you have given . . . To the incoming Executive, best wishes for success in all your endeavors . . .

See you at the Annual Meeting . . . cont.... 2/

NOMINATION & ELECTION

Our Nominations Chairman, Doug LeBlanc, will present a suggested list of Nominees for positions on the Board of Directors, at the Annual Meeting . . . At this writing not all positions have been filled. We need a member to fill the position of Captain.

Free and unbiased nominations from the floor are needed and welcomed. The only prerequisite is that you must have the consent of your nominee before making a nomination . . .

There was a time when members strived to be a part of the Club Executive. It was considered an honor to work with your fellow members for the benefit of the Club . . . The work was a pleasant and rewarding pastime.

Times have changed . . . Fewer and fewer members seem to be interested, despite notices by Divot Dust, by mail, by phone or verbal . . .

A "Leave it to Joe" attitude seems to predominate and a definite problem is developing . . . We are running out of "Joes".

We need members to lend a little of their expertise . . . Members who are willing to give a little time to see that our Club Activities are planned and ready for all members . . .

If you are interested let Doug LeBlanc, Nominations Chairman, know or arrange to have your name placed in nomination at the Annual Meeting.

ANNUAL BANQUET

The Annual Banquet was an outstanding success and enjoyed by everyone.

We were pleased to have Alvie Thompson as our guest for the evening . . .

Alvie, in speaking, indicated that a Board of Parks and Recreation contract had been let to a Toronto firm . . . "To develop a program for the upgrading of the three Municipal Golf Courses."

As a first step an Agronomist surveyed the McCleery Course . . . His findings indicated that the drainage problem must be corrected before upgrading of holes or the implementation of an automatic water system is undertaken . . . Drainage is the number one problem . . .

Input by players will be welcomed, but this will be done through a questionnaire system . . . when and if available . . .

The Pro-Shop should not be deluged with questions on details . . . It is premature . . . The Pro-Shop does not have any answers at this time . . . The Course will be improved, but it will take time.

In keeping with our Club policy - "All Club problems or questions that involve the Pro-Shop shall be handled through the Club Executive Contact Person."

The Executive members spent considerable time preparing the many details required to make the Banquet the success it turned out to be . . .

The dinner and refreshments were excellently arranged by Tyke Kanelles and his Committee . . . It was a pleasure to have a sit down dinner rather than waiting out the long lines at a buffet . . .

The Awards presentation was organized to the minutest detail by Dave Fairweather, assisted by Charlie Mackay and Norm Clark . . . It is amazing to see the quantities of Trophies, Golf Balls and other Prizes that this Club produces each year . . . Did you notice the loot won by the Doug Symonds, Chuck Menzies, Joe Dwyer and Ron Harris foursome . . . Congratulations fellows . . .

The phoning work done by Frank Haylett helped to produce our excellent turnout of 65.

The Reverse Draw with Gordie Munro at the mike, assisted by Norm Clark, George Spilos and Doug LeBlanc doled dollars out to our lucky members. \$5.00 each to Doug Symonds, Alvie Thompson, Peter Roche, Frank Haylett, Ken Child and Keith Gill . . . \$10.00 to Marcel Guiguet . . . \$15.00 to Gordie Munro . . . \$20.00 to Jesse Cove . . . \$45.00 to Dave Fairweather. The Special Prize (Dinner for 2) courtesy of the Bella Casa Restaurant won by Doug Whittle . . . The Non-Cash-Winners" each received 2 of "only been hit once" golf donated by Ed Angel . . . Did anyone find the "Loonie" that was missing ?

It was a pleasure to fill in as a substitute editor while Gordie is in Toronto for a stint of baby sitting . . . If the writing isn't up to Gordie's high standard, now you know the reason.
