JANUARY 1994 DIVOT DUST

HAPPY YEAR!

GREETINGS FROM THE PRESIDENT:

The West Point Golf Club survived and prospered in 1993 and we look forward to the challenges of 1994 with confidence and the conviction that a strong Executive supported by active members will ensure another healthy and rewarding golfing season.

Looking over the record of 1993 I noted some items that I'm sure will be of interest to all members.

- Several times during the year your Executive moved a vote of thanks to members and/or officers who had contributed to the well-being and success of the Club. I am aware that these thanks were recorded in the minutes but may not have been passed on - so, if you helped in any way, thank you very much;
- Doug LeBlanc's family were very pleased that we had used their memorial gift to the Club to provide keeper trophies for future winners of the LeBlanc Shield;
- In 1994, we will revive the original practice of restricting the Monthly Medal competition to the first playing day of the Month (Friday) and Par Points to the other Fridays. Honey Pot prizes will be awarded each playing day. The purpose of this is to ensure a more equitable distribution of prizes;
- I was unable to lead the WPGC team to victory over UGC - I exhort all West Point Golfers to practice diligently so that we will win in 1994;
- Congratulations to the new Club Champion, John Gilliland and to Bernie Smith who showed us the shortest way to the hole. I encourage as many members as are capable to record holes-in-one at West Point Events since we have agreed to pay for celebrations out of club funds;
- The Putting Contest and Social Events brought out associate and honorary members - we enjoy their company and look forward to their participation in the future;
- We have very hard working officers and committee members for which I have been truly grateful - be sure that anyone wishing to add their support will be welcome to serve on one of our committees.

I expect to greet you at the Annual Meeting on Friday, January 21st at the Arbutus Recreation Centre - in the meantime may I wish you a happy, healthy and productive New Year.

All the very best,
Fred Walsh, President

The above recommendations are only that (recommendations) you may also make nominations from the floor for the above positions. But please, have the person you nominate approve of your nomination, either in writing or verbally at the meeting.

1. Schedule the "Palcutta Tournament" for Sept 2/94 (Earlier this year - Reason - prior to "Green Punching")
2. Eliminate the "West Point Shield" Competition for 1994 (Due to lack of interest in '92 & '93)
3. Schedule two "Fun Tournaments" (in lieu of West Point Shield)
eg: Sept 9/94 "Four Club Tournaments" (use any four clubs, but only four)
eg: Sept 16/94 "Scramble" - 2 or 4 man similar to the one in March as this event is always popular
4. Club Championship - possibly advance the date to June (Bud Brown's suggestion) and allow two weeks to complete the first two rounds (as suggested by Dave Fairweather) both revisions may generate greater participation.

RENEWAL	-	\$85.00
NEW MEMBERS	-	\$85.00 plus \$50.00 initiation fee
ASSOCIATE MEMBERS	-	\$50.00

If you haven't paid yet, please send your cheque to Phil Mare, 2294 W. King Edward, Vancouver, B.C., V6L 3B8 or bring your cheque to the Annual General Meeting January 21, 1994.

PRESIDENT'S MESSAGE

Welcome to another golf season. I hope all members will participate in as many tournaments and events as possible in 1994. The Club Captain and his Committee have worked very hard to re-schedule the timing of some tournaments and re-structure others to enable, and encourage, the fullest participation. It is very important to the Club to make this golfing year a great success so that we have something to spur us into what may prove to be a difficult year in 1995, due to the closure of McCleery for re-development. We must hope that the weather favours us and that the course is kept in good shape until it's shutdown at the end of our golfing season.

The new handicap system (Slope) should not prove too difficult to adapt to. In an effort to aid our adaption to the system we have obtained Don Gardner, Executive Director BCGA, to speak to us on the Slope System at the Opening Smoker. I urge you all to attend.

I hope you have an enjoyable golfing year and I look forward to seeing you on March 11 at the Arbutus Village Recreation Centre.

CAPTAINS REPORT

We have received a letter from the BCGA (Don Gardner) regarding the use of the Slope System for handicapping starting this year. Virtually all courses in BC have been slope rated and clubs advised of this. McCleery course rating is 113 with slope and 68.2 stroke rating from the white tees.

We have also received the computer disc and instruction booklet so that we will be able to transfer last year's handicap information into the new slope computer program.

Please read the following carefully. If necessary cut it out and keep it in your golf bag.

DEFINITION OF HANDICAP TERMS:

- **adjusted gross score** - the actual gross score adjusted downward by deducting the excess strokes taken over par (see equitable stroke control). This is the score you post.
- **equitable stroke control** - on completion of each round adjust your actual score for posting purposes as follows:
If your course handicap is.....
 1. Plus or scratch - Limit of one over par on any one hole.
 2. 1 to 18 inclusive - Limit of two over par.
 3. 19 to 32 inclusive - Limit of three over par.
 4. 33 or over - Limit of four over par
- **course handicap** - is the number of handicap strokes a player receives at the course being played. A course handicap is determined by applying the player's index to a course handicap conversion chart.
- **course handicap conversion chart** - these are located at all RCGA member golf courses so that you are able to CONVERT YOUR INDEX to a playing or course handicap for the day. Each set of tees has a different chart.
- **index** - represents the ability of a player on a course of average difficulty. A player must always convert the index to a course handicap before playing. This is done by using a course handicap conversion chart.
- **par** - par is the score a scratch golfer is expected to make on a given hole. Par means errorless play without flukes and under ordinary conditions.
- **rating** - "Course Rating" is the evaluation of the playing difficulty of a course for scratch players. It is expressed in strokes and decimal fractions of a stroke, and is based on yardage and other obstacles to the extent that they affect the scoring ability of an expert player. "Slope Rating" reflects the relative playing difficulty of a course for players with handicaps above scratch.

SCORES ACCEPTABLE

Handicap differentials must be recorded for every 18-hole stroke or match play round played anywhere in Canada as well as out-of-country scores, i.e., USGA courses and courses of countries that use the standard scratch course ratings.

Consecutive nine-hole scores occur when any two nine-hole rounds are played within a seven-day period and an acceptable 18-hole round has not been played in the interim. Two nine-hole scores are added to create an acceptable score.

Consecutive nine-hole scores do not have to be made on the same golf course and can be made on the same nine holes played twice. The applicable course rating for each nine holes must be used when posting handicap differentials.

If a player plays 13 or more holes, he shall record a score for handicap purposes by adding the number of strokes played, plus the total of par for the unplayed holes, plus any handicap strokes to which he is entitled on the unplayed holes.

The Handicap Committee may also lower and freeze a player's index if that player is habitual in failing to post scores or otherwise does not observe the spirit of the handicap system.

In extreme cases of a player's non-co-operation, withdrawal of the index is required.

SCORES UNACCEPTABLE

Scores made under the following conditions are not acceptable for handicap purposes and should not be entered into the player's scoring record:

- ... when less than 13 holes are played
- ... when the types of clubs used are limited, as in a competition in which only irons are allowed
- ... when a scramble format is played

RCGA POSTING SHEETS - to familiarize yourself with where and how you post, the following may be helpful. The key to posting all your scores is to **WRITE LEGIBLY**.

1. Home Score Posting Sheet - if you are a member of a regular club and you play at home, this is the posting sheet or card you will use.

HOW YOUR INDEX IS COMPUTED

1. **BY DIFFERENTIALS.** A handicap differential is the difference between the adjusted gross score and the RCGA course rating, multiplying the difference by 113, dividing the resulting figures by the RCGA Slope rating and rounding off to the nearest tenth. The following is an example for a course with a 71.5 course rating and a 130 Slope rating.

Adjusted gross score	95
Course Rating	71.5
Difference	23.5
Handicap Differential	$\frac{113 \times 23.5}{130} = 20.4$

The value 113 in the above formula is the national standard for Slope ratings and is used to weight differentials.

2. INDEX FORMULA LOWEST 10 OF LAST 20 DIFFERENTIALS

- a. The index is computed from the lowest 10 of the player's last 20 rounds as follows:

Total of 10 lowest differentials.....	147.1
Total average.....	14.71
Total multiplied by 96%.....	14.12
Delete all numbers after the tenths digit.....	14.1
RCGA Index is.....	14.1

- b. Fewer than 20 differentials available:

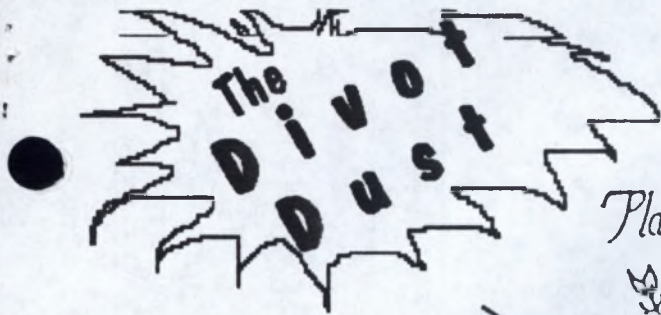

Available	Used	Available	Used
1- 4	No Index Issued	12 to 13	Lowest 5
5	Lowest 1	14 to 15	Lowest 6
6 or 7	Lowest 2	16 or 17	Lowest 7
8 or 9	Lowest 3	18	Lowest 8
10 or 11	Lowest 4	19	Lowest 9

SUMMARY

1. ALWAYS CARRY YOUR RCGA MEMBERSHIP/HANDICAP CARD
2. KNOW YOUR INDEX - CONVERT IT TO A COURSE HANDICAP WHEN PLAYING
3. POST A SCORE FOR EVERY ACCEPTABLE ROUND
4. WRITE LEGIBLY
5. CONTACT YOUR CLUB WHEN YOU HAVE PROBLEMS
6. ENJOY!

DIVOT DUST MAY 1994

Another year is under way for West Point Golf Club playing at McCleery Golf Course, and maybe our last year.

There are rumours around that the Parks Board, in their "wisdom" may abolish In-Course Golf Clubs when all the renovations are completed. However, there will be a lot of water under the bridge till this happens. We are lucky in that we are not recognised by them anyway, so we may be able to continue on, in our present format in years to come.

Another problem approaching is the possibility of McCleery closing down 9 holes in September to start redoing the course and we may have to play our "Palcutta Tournament" elsewhere. Of course if this transpires, we will not receive a block of times at another course as we have in the past. However, we'll keep our fingers crossed that this does not happen, or at least not until the latter part of September.

PRESIDENT'S MESSAGE

Strong turn-outs for Opening Day and the Scramble gave our season a good start in spite of being rained out and losing a days play on April 8th.

However, the decision of the Parks Board to change the booking of tee-times to two days ahead at noon presents us with a major problem. A hastily formed committee of Dave Fairweather, Chairman of the Committee Monitoring Golf Course Redevelopment, Fred Walsh, Past President, and myself, prepared a presentation to be put to the Parks Board on March 14th when a vote was to be taken on the proposed changes to booking times. Needless to say, they voted in the new system over our objections, and those of other members of the public present at the meeting.

They assured us they would closely monitor the new system, but as you will realize no revision will be made without strong and persistent pressure from the golfing public.

We will monitor the new system for a few weeks to assess how adversely it affects us, and then consider how best to present our displeasure with it to the Parks Board. *Suggestions from the membership are requested.*

On a more pleasant note, it is my pleasure to announce that Bob Jack has been made an Honourary Member of the West Point Golf Club in recognition of his continued interest and support of our Club. You are all aware that Bob is unable to join us on the golf course, and in spite of his difficulties has maintained a close interest in our activities. He has sponsored our gatherings at the Arbutus Village Recreation Centre and on a number of occasions has donated it's use, allowing us hold our "Smokers" without charge.

Thank you, Bob, and congratulations! We look forward to seeing you at our next "Smoker".

Equitable Stroke Control

Canada has not adopted the U.S. Golf Association system of equitable stroke control. We retain the same system as before -ie:

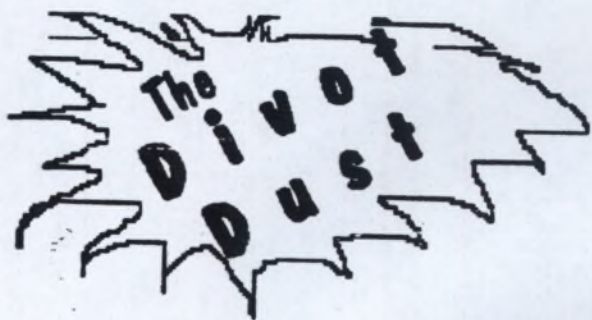

If we all follow the above, it will make it a lot easier to keep our handicaps correct. Thanks for your cooperation.

PRESIDENT'S REMINDER:

If you have received your letter from me regarding booking for times at McCleery, Langara or Fraserview Golf Courses and have not as yet written in to complain about the new system, please do so now.

It is not necessary to spend a lot of time or write a long, lengthy letter, just tell them in your own way the unfairness of the system to the greater number and more frequent golfers.

If you have thrown away your letter or misplaced it, the person to write to is:

Mr. Malcolm Ashford

Come on fellows - Do it Today - Thanks!

TREASURERS REPORT:

In the absence of Bill Johnson at the June Meeting, there is not a complete report to make, however, we have invested \$5,000 in short term 30 day "T" Bills. Including this and the bank balance, we are solvent in the manner of \$6,505 as of the end of May 1994.

MEMBERSHIP REPORT:

Since the last "Divot Dust" we have added one new member. John Dennison 224-0775. Please make a note of this on your membership list as you may have to phone him for a game in one of our tournaments.

We have also had some members move, so they also have different phone numbers. Please make a note of the following changes:

Gord Crosson	943-2301
Ron Harris	922-2606
Red Walsh	277-1985

CAPTAIN'S REPORT:

May Monthly Medal Winner - Roy Larson

June Monthly Medal Winner - Bud Brown

**MCINTYRE TROPHY - Net score - 54 Holes,
April 29, May 6 & 13th**

We had 56 golfers entered - Good Show! - after 54 holes of "Serious" competition, the following came out on top:

1. **Tom Herbert: 72 - 69 - 67 = 208**
2. **Keith Gill: 67 - 69 - 74 = 210**
3. **Len Brown: 71 - 72 - 69 = 212**

**ANGEL TROPHY - 54 Holes - 2 Man Teams - Low Net,
May 27, June 3 & 10th**

We only had 26 golfers sign up for this one - only half of the number for the McIntyre - Why??? - any suggestions???

Winners are:

1. **Chuck Menzies & Doug Whittle = 402 Total Net**
2. **Ron Harris & Roy Symons = 405 Total Net**
3. **Joe Dwyer & Bud Brown = 408 Total Net**

CONGRATULATIONS!!

RENSHAW THOPHY - CLUB CHAMPIONSHIP

Qualifying for this was held on June 24th with 42 golfers submitting cards - a good turn out with nearly 50% of the membership taking part. As there are only 8 players to each flight, we could only make room for 40 players. Sorry to the two golfers who didn't make it, but thanks for the effort.

Two players had low gross to lead the way in the Championship Flite:

John Gilliland and Noel Armstrong with 77's. Nice shooting fellows!

Coming up on July 20th is our Inter Club Match with University, to be played at University with a shotgun start at 7:30 AM and lunch and prizes at approximately 1 PM. Cost is \$28 for green fees and \$7 for lunch and Honey Pot. There is a list up in the Club, so please get your name on it for this event as we are looking for 50 golfers from our Club and 50 from University.

We have had two away games since the last "Divot Dust" with good turnouts to both Belmont and Lake Padden. Weather was great at Belmont with approximately 40 taking part. Lake Padden was slightly different weather wise. Thunder, lightning, hail and a terrific down pour turning the course into a river in about 20 minutes. We did however, get a "rain-check" and returned on June 27th to a beautiful day with 36 golfers taking part. Sorry I can't say the golf was as good as the day, but we should have the results shortly.

McCLEERY GOLF COURSE AND WEST POINT GOLF CLUB

With this in mind it was thought that we would move the Palcutta up to the middle of July. Unfortunately, we could not get a block of times on this date, so further discussions with the President, Past President, Past Captain and some on the Captain's Committee it was decided that we would leave the fixture card as printed. That is, the Palcutta Smoker on Sept 2nd and Palcutta Tournament on Sept 9th, whether we play it at McCleery or Langara.

Hope most of you agree with this.

[illegible]

Some of you are turning in cards from other courses you play. To you, Thanks! However, it is most difficult to do your handicaps correctly when you don't put either, the date, course rating, the slope and sometimes you even give me your differential without the course rating. I know I'm smart, but I sure am not a mind reader or psychic.

Thanks for your cooperation in this matter.

Did you know the club was formed in 1932 ^{at} ~~as~~ the University Golf Course:

"DIVOT DUST" SEPTEMBER 1994

PRESIDENT'S MESSAGE:

It is unfortunate after a fine dry summer that the Palcutta Tournament should be so rudely attacked by the weather. A little rain we can handle, but the deluge that caught us unprepared on the fairways was something to behold, abandoning play was the only course to take. Let's hope the replay at ~~CARNOUSTON~~ will be treated more kindly by the weather.

The survival of our club depends entirely on the efforts of our membership and those who participate in its operation. Without the contributions made over the years by past officers, directors, and their committees, the West Point Golf Club would have ceased to exist years ago. The time involved in most cases is not great, but the contribution made by each is essential to our well-being and survival. We all enjoy the benefits of our organization, the competition of tournament play, the friendships, camaraderie, and associations formed both through golf and our social events, these things are worth preserving.

Please keep in mind, should you be approached at some future point to give a little of your time to ensure our continued existence.

WHAT WE HAVE IS VALUABLE AND WORTH PRESERVING

TREASURERS REPORT:

As of August 31, 1994 our adjusted bank balance is \$5,525.00 which is \$216.00 ahead of last year. It appears we are in good shape till the end of the year.

CAPTAIN'S REPORT:

Roy Moulton and I have both had a talk with Muncie Booth, Pro at Langara, regarding West Point Golf Club playing there until McCleery's remodelling is completed.

He seemed agreeable to us playing there under the same conditions as at McCleery. NO block times at all, so far. However, we are allowed half the notice board on the way to the shower and bathroom for our own notice board and box for handicap cards, which are already installed. We will still have to phone in as before, but it should be easier to get through with the new 280-7888 phone number. There is no place to put up our blackboard telling us what is on each Friday, so please check your fixture card each week for Par Points, Honey Pot or if there is a tournament on, and also check the handicap sheet each week to see if your handicap has changed.

The weather this year has been great for us Friday Golfers, except for one stinking hour around noon on September 9th, ruining our "Palcutta". After much discussion with my Committee and Executive, we decided to "Wash out" all scores (sorry for the pun) that day and reschedule the "Palcutta" for OCTOBER 7TH to be played at "Carnoustie". Some will not be available to play that day, so I will try to fill in with others of same handicap, with approval from those who bid on those that have to be changed.

Foursoms will stay the same and will be posted on the notice board at least a week in advance of playing the "Palcutta". Let's hope the weather cooperates.

Our tee time at "Carnoustie" is from 9:30AM to 11:00AM. Will you please check with your partner and if he can't make it that day, please let me know as soon as possible so I can get someone to fill in for him, and get the draw done, so everyone will know their tee times. Thanks for your help on this.

*"The only thing worse than attending a funeral

CLUB CHAMPIONSHIP

Congratulations to AB MILES, our new *Club Champion*. After a tough battle with HARV COOK, he scraped through with a 2 and 1 victory. Good going fellows and Congratulations to Harv for his runner up finish.

Congratulations also to the following:

DOUG SYMONS for his hard fought win over LEN BROWN to win the *1st Flite*.

CHUCK MENZIES for his victory over his golfing partner RON HARRIS to win the *2nd Flite*.

AKSEL CHRISTENSEN took *3rd Flite* laurels when JACK POMFRET had to default because of a sore neck (caused because he stuck it out once too often).

To JOE DWYER for his victory over DAVE WILSON in the *4th Flite* playoff.

WES BRISSEAU for his win over BILL JOHNSON in the *5th Flite*.

We had 40 golfers take part this year in our *Club Championship*, so maybe the earlier start in the year helped. Let's hope we will have maybe a few more take part next year.

CAPTAIN'S REPORT CONTD:

The *Putting Jamboree* attracted 46 golfers who think they can putt.

CHARLIE MACKAY was the big winner, tying for most aces, winning with a 38 Low Putts, and paring with VIC SCHROEDER as Low Team with 71 putts.

RON HARRIS won the *19th Hole Honey Pot* after a playoff and collected a tidy \$56 for his effort.

It was great to see Reid Mitchell out after his Quad By-Pass taking part and also Roli Parker. Tim Eaton and Bob Osborne, associate members.

My personal thanks to Ed Bobinski, Len Brown and others for taking over in my absence and putting on a fine Jamboree. Thanks again!

MONTHLY MEDAL WINNERS

JULY - Charlie Barker AUGUST - Len Brown SEPTEMBER - Roy Symons

Remember, you three plus Hugh Marshall, Bud Brown and Roy Larson will play for the Le Blanc Shield on October 7th at Carnoustie, while also playing in the "Palcutta".

PARKER SHIELD - ECLECTIC

In the 0-18 Handicap Group:

LEN BROWN took 1st place honors with a 65, after a brilliant opening round of 71. He was followed in 2nd place by TOM HERBERT with a 69 and in 3rd by HARV COOK with a 71.

In the 19-Up Handicap Group:

JACK APPS claimed 1st spot with a 73, followed closely by RON HARRIS in 2nd with a 74 and DAVE WILSON and DON SUTTON tied for 3rd with 75's.

CONGRATULATIONS!!

TROPHIES:

Would all of you who won trophies last year, please get in contact with me, so we can make arrangements to have them picked up ASAP. So we have time to get them engraved for the "94 Winners" to be presented at the Annual Banquet.

"DIVOT DUST" DECEMBER 1994

COMPLIMENTS OF THE SEASON
TO ALL YOU NACKERS

PRESIDENT'S MESSAGE:

Once again we have completed another year of club competitions and events - our 63rd, an enviable record - one that was not without its trials and tribulations, due mainly to the McCleery course closure and difficulties for many members in obtaining satisfactory tee times.

The McCleery course is now denied us for the next two years, and the difficulties with phoning in to obtain tee times is unlikely to improve. Hopefully, we can find a way around the problems with the present phone-in system or, alternatively, schedule events at a course other than Langara.

Some alternatives were presented to you at the Annual Banquet, still others are being considered by the executive committee. A complete list of these alternatives will be presented at the Annual General Meeting for your consideration and selection. Please make it a must to attend the Annual General Meeting and so share in the decisions that will be made.

It was with great regret that I was unable to attend the Annual Banquet; the first one I have missed in 24 years as a member of the West Point Golf Club. The reports I have received indicate a strong turnout for this final social event of the year, with an excellent evening had by all.

I can assure you I was with you in spirit and deeply regret my inability to share this happy evening with you.

In conclusion, I want to wish all of you and your families the HAPPIEST CHRISTMAS possible, and may the NEW YEAR bring good fortune to us all.

Green fees - \$27.60 seniors
Tee Times - 7:03 to 8:27 starting March 20
- Sept 25@7:17; Oct 2@7:24; Oct 10@7:38; Oct 16@ 7:45.
- If they have a shotgun start at 1:00pm for a commercial tournament on a Monday, we would have a shotgun start at 8:00am.

The above courses will be voted on at the AGM, January 20, 1995. The course chosen by you will be decided by ballot, with the one approved must be in excess of 50% of ballots cast. If no clear majority on first ballot, the course with the lowest number of votes will be dropped and the remaining will be voted on, with the above procedure followed, until there is a clear majority for one course.

Because of the difficulty of getting through to Langara or Fraserview, the above decision is a very serious one for our club for the next two years.

Because of the seriousness of this, if for any reason you will be unable to attend the AGM on January 20th, please fill out the following ballot and mail your vote in to our P.O. Box Number, and we will make sure your vote is counted.

Please mark the following courses as to your preference - 1, 2, 3, & 4.

Golf

It is a science, the study of a lifetime, in which you may exhaust yourself, but never your subject. It is a contest, a duel or a melee, calling for courage, skill, strategy and self-control. It is a test of temper, a trial of honour, a revealer of character. It affords a chance to play the man and act the gentleman * It means going into God's out-of-doors, getting closer to nature, fresh air, exercise, a sweeping away of the mental cobwebs, genuine re-creation of the tired tissues. It is a cure for care, an antidote for worry. It includes companionship with friends * social intercourse, opportunities for courtesy, kindness and generosity to an opponent. It promotes not only physical health but moral force."
