DIVOT DUST MARCH 2003

PRESIDENT'S MESSAGE

The start of our 2003 Golfing Season is rolling around and I wish a healthy start to all of you on Opening Day. I particularly welcome the addition of new Directors Gil Jones and Hans Stausboll to our Executive Committee. Our scenario for this season is much the same as last year's with slight variations on the Fixture Card and our usual social events. Our expectation is that Parks Board green fees will remain the same although they have yet to be published at the time of this writing. We have had a much greater turnover in members than in previous years, so that while our roster is still well up, we do have room to absorb some new members. Any new prospects should be put in touch with Gil Jones (943-2756), our Membership Chairman.

In Memoriam

We are deeply sorry of the recent passing of three of our prominent members:

PRESIDENT'S MESSAGE

Green Fees for Vancouver Parks Board Courses for 2003 have been decided. There will be no change in relationship of Senior fees to regular adult players, i.e. our fees remain 70% of adult fees.

It had previously been indicated that Seniors would have a further increase this year, but after representations on our behalf to Parks Board Commissioners by members of our club and others, a resolution was passed on March 11th, rescinding an earlier ruling increasing the fees. Our interests were very capably represented by Stan Lawson, who explained our circumstances as well as those of all senior golfers. Stan did a great job in acquainting the Commissioners with the makeup and activities of our club. We believe this will significantly improve our relations with the Board and achieve better recognition for West Point.
OUR THANKS TO STAN!!

shortened course (Nos. 3 & 8). The filling in of the ditch to the right and short of the third green will be a blessing to many of us who sometimes leak one out to the right off the tee.

We had 59 players. The first group off at 0759 included two sharing a power cart, along with 88 and 81 year olds pulling their carts. They finished comfortably in about 3 hours and 50 minutes. Unfortunately, we gradually went downhill from there, with the last half of the draw finishing between 4 hrs. 20 mins. To 4 hrs. 45 mins. **WE HAVE GOT TO PULL UP OUR SOCKS OR WE RISK LOSING CERTAIN PRIVILEGES.** A four hour round is still the target.

The Captain's Team prevailed again with a total of 24 points versus 21 for the President's Team. One ball to each member of the Captain's Team. Some very respectable net scores took the \$2 Honey Pot of \$114, led by a great 63 by George Dedrick and followed by Harold Hunter at 66, Alex Ratka at 67 and Bus Phillips at 69. For the first time I can recall we had a tie for a K.P. This was on the 16th when

Bill Stephens' shot ended up equidistant from the hole with the mark left by Alex Ratka.

It was good to see Bert Borton in good form after almost a year on the sidelines and Hugh Marshall giving his new hip a workout, along with Don Lamb in the swing of things.

Competition Results:

T.N.T. We had 12 four-man teams and 2 three-man teams.	
Winners	Bill Gerard, Andy Cowie, John Hyndman and Hans Stausboll with a total net of 55 - two balls each.

Dave Fairweather - Captain

PARKER SHIELD - Is coming up for the month of June. It is an eclectic to show each member's best gross score over the rounds played in June. We would appreciate having two volunteers to record the initial scores and to adjust for improvements in the gross hole scores over the following three weeks. Please contact Dave Fairweather or Bill Gerard if you could make this commitment. The master sheets would have to be revised and posted prior to the next play day.

AWAY GAMES - The first Away Game will be on June 16th at the Ft. Langley Golf Course. As a way of becoming involved in the support of our Club activities, it would be helpful if one or more members who plan to play in one of the Away games make themselves available as an Away Game Coordinator for that event.

☛ A package would be provided consisting of a procedure outline, with dates for action, sign-up sheet, bulletins, draw sheet, score cards and

winners sheet.

☛ Assistance would be available from the Captain's Committee.

HELP! There is ongoing need for members to pitch in and assist the Captain's and other committees in tabulating scores, etc. We have already mentioned need for help with the Parker Shield and Away games. IN ADDITION we would appreciate assistance in tabulating Friday's result for approx 3/4 of an hour on a Saturday morning.

☛ Contact Dave Fairweather or Hugh Marshall ----
P L E A S E !

INNER-CITY YOUTH - Muncie Booth our Professional covering the Langara and McCleery courses has for a number of years been running a golf program for Inner-City Youth. In speaking with him recently, Dave Fairweather asked if he could use golf clubs which members may have kicking around but are no longer using. If you have a club or two which you are prepared to part with, which are in reasonable condition and not too ancient, Muncie could certainly use them by cutting them down and re-gripping as required. *Please turn them in at either McCleery or Langara Pro Shops.*

TEE TIME TROUBLE - Message from coordinator, Michael Alms (604) 683-1086.

If you have trouble with your time for the following Friday, or even without getting a game, Michael may be able to help you, but please try to follow these guidelines:

1. If none of your foursome can get a tee time to your liking, please have ONE of your group phone Mike soon as possible after 7:00 pm on Sunday.
2. If your foursome manage to get two or more times and decide to choose one of them, have ONE of your group phone Mike, letting him know what times you have reserved but do not want, and the names and times they are booked under.

If one of these times is offered to another foursome a player from that group will be told to contact the person under whose name it is booked. Mike will NOT be involved. The foursome that takes the time must report to the Pro Shop on Friday under the name of the person who booked it originally.

If you have offered your time and have not been

approached by anyone to take it by Wednesday night, please remember to cancel the booking the next morning. The Parks Board will exact a penalty you fail to do so (No need to phone Mike about this).

3. If for some reason one or two of your foursome are unable to play next Friday, let Mike know that you have a spot for a player at loose ends.
4. If you are a spare and want a game, or if you are left on your own for any reason, let Mike know. He will try to fit you in an incomplete foursome.

Mike is indeed performing an invaluable service for our membership. One way to show our appreciation is to follow his instructions as laid out.

PLEASE NOTE: Michael will be away the Sundays of June 29, July 6 and July 13. Dave Dickson has kindly offered to handle those dates. His number is 277-8708.

PRESIDENT'S MESSAGE

With the excellent weather we have been enjoying and the significantly lower green fee at Langara (\$20 before 9am), participation has been extremely good this year. However, tournaments for Away Games has been thin and I appeal for better participation in this area.

Remember, the upcoming Palcutta Auction August 19th. Hope to see you there.

Happy Hitting ... Bill Johnson

SMILE AWHILE . . . a foursome of senior golfers hit the course with waning enthusiasm for the sport. "These hills are getting steeper as the years go by," one complained. "These fairways seem to be getting longer too," said one of the others. "The sand traps seem to be bigger than I remember too," said the third senior. After hearing enough from his senior buddies, the oldest and wisest of the four, piped up and said, "Just be thankful we're still on the right side of the grass!"

NEWS ITEMS FROM OUR ROVING REPORTER

On a recent Friday at McCleery, it was noted that John Andrews approach shot on #8 was nestled very close to the red hazard stake at the north-west corner of the water. Terry Kong, his partner, saw the left-handed John address the ball, then John disappeared up to his thighs in water! Luckily Terry was close enough to pull him out and a very wet John with true golfer's dedication finished the 18th.

(In a subsequent conversation with the Pro Shop, your editor inquired if there was any truth to widespread rumors about future plans for the waterhole at #8. The Pro Shop stated categorically that neither a spa or a jacuzzi were under consideration.)

PRESIDENT'S MESSAGE

Fellow members, as our 2003 Golfing Season is now starting to wind down, I would like to take this opportunity to remind you to sign-up for our *Closing Day Tournament, October 17*, and for the *AGM & Annual Awards Banquet, November 12*. (More details about these in last page of Divot Dust).

I consider the season to have been a highly successful one due to the dedication and diligence of not only all our executive members, but in particular our Captain and all those committee members who shared in the many details of organizing the playing events of the year as well as social events and prize distributions.

As outgoing President, I also take this opportunity to thank the executive members: *Roy, two Davids, Gil, Hans, Bill, George and Hugh* for their cheerful fellowship and spirits of harmonious cooperation which made my job a pleasant one. I also extend my gratitude to all of you for making our club the friendly and sociable group that it is. I greatly value my associations with you.

In closing, I encourage anyone who has the inclination and a bit of time available to volunteer to help out in the running of the club. Some Executive positions are being vacated this year and replacements must be found if the club's viability is to continue.

CHEERS! ... Bill Johnson

Dear Joanne

We have just had a fall executive meeting to discuss several suggestions that have surfaced during the 2002/03 season.

Home production of our *Divot Dust* has been one suggestion. After considerable thought, we have concluded that it will be more convenient if future issues of *Divot Dust* were produced here. Many of our members have now become proficient in using computers and show willingness to undertake the job.

We have been so very appreciative of your assistance over the years. You have done an excellent job in preparing the layout of our publication and always with great accuracy and timeliness.

On behalf of all members we wish to express our sincere thank you for your fine effort and support.

Sincerely

Bill Johnson
