

PRESIDENT'S MESSAGE

Welcome back! It's that time again and your new executive has prepared an appealing schedule for the 2004 season. We believe that, through its enhanced scope, everyone's involvement will be increased and that most interests can be met.

All arrangements for the usual social events have been completed, a few membership changes have been registered, and the newsletter editor has arranged for timely content.

Most significantly, you will benefit from the creative work of the Captain's Group who have presented us with a rearranged competition schedule, an extended Away Schedule--including the re-introduction of a few Inter-club Matches--and an expanded Club Championship format.

Everything is in place for a most satisfying season. I hope that you will be able to enjoy it to its fullest.

Fore!

Gary Sinclair

CAPTAIN'S REPORT

It is a privilege to act as Club Captain for the 2004 season. With the help of my very able Vice-Captains: *Ed Bobinski, Neil Brett-Davies, and Andy Schmidt*; the former Captain's Committee: *Len Brown, Dave Fairweather, and Bill Gerard*; and the 2004 Executive, we have prepared and approved the Calendar of Events for 2004. By February 3, we will have approved the 2004 Competition Format, thus both the Calendar of Events and the Competition Format will be in your hands prior to the Opening Social on March 23.

As you peruse the enclosed information you will notice the following

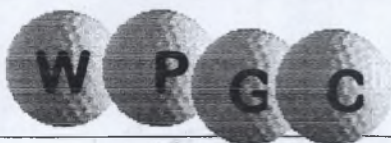

- ✦ Some events have been changed in terms of location and dates of play
- ✦ New events have been added (i.e. The Designated Ball Competition)
- ✦ Interclub competitions have been added (12 members play against Delta and UBC)
- ✦ Optional Foursome dates have been added
- ✦ Club Championship has been redesigned

Read the information sent to you and don't hesitate to ask questions at the Opening Social.

I bring to the Captaincy the following beliefs:

1. I am here to serve not dictate. All decisions made will be approved by the Captain Committee and the Executive.
2. To provide opportunities for club members to play with many club members. Ideally I would like each member to have played with all the club members during the season.
3. I hope to have many club members accept administrative jobs during the season. The jobs will be ones the members feel comfortable in doing. The Captain's Committee will always be available to provide support to any members undertaking

a job. You can expect the Captain's Committee to approach you during the season to solicit your help in making this a very successful club

At the Opening Social the subject of "Phoning for Tee Times" and other items of interest will be addressed.

Looking forward to meeting you all at the Opening Social on March 23rd, I am

Yours sincerely

Stan Lawson. Captain

In Memoriam

We were saddened by the unexpected passing of Alex Ratka on December 5. Alex will indeed be missed by his many golfing friends in our group as well as at UGC

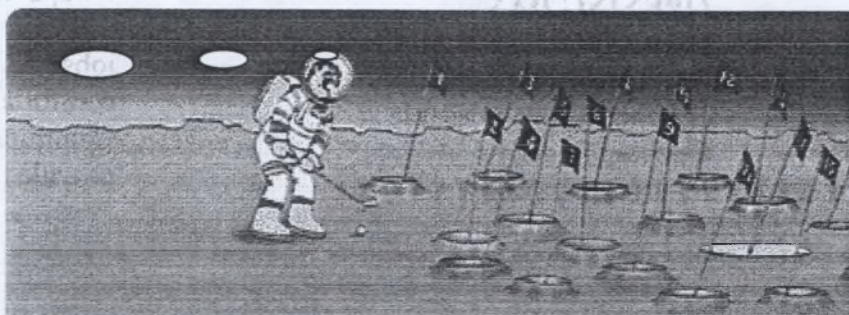

TEE-TIME COORDINATOR

Michael Alms has very generously agreed to continue as our Tee time coordinator. Although the procedure to follow was detailed in the Divot Dust last year, we repeat:

1. If none of your 4-some got a time to your liking, have ONE of that group call Mike for possible help. Call soonest after 7:00 pm on Sunday (604-683-1086)
2. If your 4-some got two or more times, let Mike know the ones you choose not to use. Give him name and time under which they are booked.
3. If one of your times is offered to another 4-some, a player from that group will contact the person under whose name it is booked. Mike will NOT be involved. The group taking the time must report to the Pro Shop on Friday under the name of the original booking.
4. If you have offered a time and no one has contacted you by Wednesday night, do remember to cancel. The Park Board will penalize you for not canceling.
5. If your 4-some is short one or two players the next Friday, call Mike who may be able to help. Likewise if you are a spare looking for a game, Mike may be able to fit you in.

Mike will be absent for a couple of weeks later in the season--dates will be in the Divot Dust.

PRESIDENT'S MESSAGE

We are now well into Phase II of our 2004 season. The first phase, December through March, was dedicated to the planning of all our WPGC activities. Having accomplished that task, your Executive is now engaged in the management mode to assure that the Fixtures Schedule unfolds smoothly and as enjoyably as possible for all of you. To date, it appears that we have achieved our objectives and I commend the Executive for their extensive contributions of time and effort on our behalf.

I hope that you will take the opportunity to participate in the annual Putting Jamboree and the matches organized at Lake Padden, Ledgewood, Redwoods and Royalwood Golf Clubs. Good luck to those that enter the Qualifying Round for the Club Championship Play.

May your Monthly Medal, Honey Pot and Par Points endeavors be fruitful over the remainder of the season and may all your shots lie in green pastures, not in still waters!

Cheers!

Gary Sinclair

CAPTAIN'S REPORT

In spite of bad weather, the Opening Day was well attended; 57 members braved the elements. The President's team won 17 to 16.

Our next event was the Angel Trophy. Again, we had good attendance; 63 players, up from 43 last year. A good deal of advance phone contact took place and it shows that communication is key to good participation.

The Angel Trophy was coordinated by Tony Appel, Ozzie Isfeld and Gordon Monteith. A special thanks goes to them.

I will be absent during the month of May. Any inquiries you may have during May can

be directed to our Vice-Captains, *Ed Bobinski*, *Neil Brett-Davies* or *Andy Schmidt*.

Happy Golfing!

When shared, this amounts to \$9.50 per person. This pass is good at McCleery and Langara with no time limit. PROVIDED WE DON'T ADVERTISE THE FACT, it can be used occasionally by other WPGC members. A HIGH HANDICAPPER'S VISIT TO ANOTHER WORLD...

Divot Dust had the occasion to interview our Club President after his recent visit to Florida.

DD: "Gary, we understand that you have been moving in pretty fancy circles when you went to Florida?"

GS: "Yes, you can say that. My wife and I stayed with our long time friends, Gary Wiren and his wife in their home in West Palm Beach."

DD: "And your friend is a golfer?"

GS: "Not just any golfer. Gary Wiren has been rated by Golf Digest as one of America's top 10 instructors (#9 actually). He is the teaching professional at the Trump International Golf Course."

DD: "Our southern reporter became aware that you played a round with Wiren."

GS: "That is correct and what a treat it was. We played the Trump International Course. Unfortunately, The Donald couldn't make it but there is certainly ample evidence of his excessive tastes everywhere. Later, Wiren took my wife and me to the PGA National's practice facility. We spent an hour talking about putting, short irons, fairway woods, etc."

DD: "You obviously obtained suggestions and ideas to improve your game. We suspect you may want to keep some of them as your secret weapon for future Westpoint tournaments. Anything you can share with the membership?"

GS: "Well okay, I don't mind letting you in on a couple of points emphasized by Wiren:"

- 1) "Swing the club" rather than "Hit the ball and
- 2) When putting a) see the line, b) feel the distance and c) stroke the ball along the line"

DD: "Thank you, Mr. President"

PRESIDENT'S MESSAGE

Congratulations, once again, to the Captain and his group of volunteers who continue to demonstrate their dedication to the quality of our golfing experiences. We have passed the halfway point of our season and they have presented us with an interesting variety of playing options and a level of organizational efficiency that has been most impressive.

Hopefully, you are looking forward to participating in the upcoming Palcutta Tournament and will be joining your Executive at the annual Bid Night social evening at the Arbutus Village Recreational Centre on the 17th of August (please see the details in an article to follow). We will also be looking forward to seeing you at our two remaining Monday Away Games - at the Redwoods GC and the Royalwood GC - please see your Fixture Schedule for the details.

I hope that you will enjoy the remainder of your season and wish you good fortune in your pursuit of recognition in the Monthly Medal, Honey Pot and Par Point competitions.

Cheers!

CAPTAIN'S REPORT

As we enter the last third of the season, I am happy to report that on any given Friday at least seventy percent of our membership is playing.

The Captain's Committee with help from Roger Kronquist and John Dennison kept the Club Championship running smoothly. I think it is safe to say that the new format should be used next year. The result of this competition, the Parker Shield and the LeBlanc Shield qualifiers to the end of July are on the last page.

Ed Bobinski organized the game at Lake Padden. Dave Fairweather with help from David Dickson organized the game at Ledgeview. The Parker Shield (by far the most popular event so far) was administered by Ben Oxholm and Glen Lockhart. Maybe we should hold an eclectic competition at both Langara and McCleery? Jack Grant was the administrator of the Honey Pot, Monthly Medal, and the Par Points for July.

Big "Coin" can be made by entering the Palcutta (August 20th) by buying teams at the Bid Night, August 17th. Teams will be drawn. Team score is Quota Points of the top three players in the

foursome. If you are confused give me a call at (604) 940-8876. No—Glen Lockhart, Norm Thiessen, Ab Miles, and Wayne Ferrey are not on the same team! Final date for sign up is August 13th at 3 pm.

See you at Bid Night. Let's have everyone out for this event.

Stan Lawson. Captain

Handicaps of 1 to 18 2 strokes

33 and over 4 strokes

For example: if a 16 handicapper had an 8 on a par four, he would reduce his score by 2. (This does not apply when recording scores for tournaments, par points, etc.)

HISTORICAL NOTE

(from the WPGC 1932-1990 History)

Gary Sinclair has dusted off our old records and came up with some interesting information:

They were recognized as "Charter Members". Of these "original" members, eight are currently Active, four others have Honorary

PRESIDENT'S MESSAGE

It has been a most satisfying year! The Captain's Group's well-planned schedule of fixtures and well-managed competitions are now history and it is time for us to celebrate our Club's 2004 Season's activities.

For all of us, this means an afternoon of good food and fellowship at our 74th Annual Banquet on Wednesday, November 3rd. It will include the recognition of the recipients of our Annual Awards as well as the ever-popular Reverse Draw Event.

In conjunction with the Banquet and Awards Program, you will again have the opportunity to get involved and to help shape the future direction and operation of the Club by taking part in the proceedings of our Annual General Meeting that will start our day, at 11:30 A.M. To minimize the time involved and to ensure that all Agenda matters are appropriately and expeditiously dealt with, we have appended advance copies of your Executives' Year-end Report to this issue of the Divot Dust. ***Please read them and bring them, with any questions or comments you may have, to the meeting.***

On behalf of your Executive I wish to thank you all for your support of the Club's activities this season and offer a special thanks to those who volunteered their time so generously to ensure the success of our schedule of competitions.

I hope to see you all, at 11:30 A.M., on November 3rd, at the Arbutus Club.

Cheers!

CAPTAIN'S REPORT Stan Lawson

To respond to the obvious popularity of the *Parker Shield* the Captain's Committee with the approval from the Executive initiated a "September" eclectic. It appears to be successful and therefore we plan to have an eclectic at both McCleery and Langara. The new eclectic will be the "Bud Brown" eclectic to recognize the many years that Bud was the Captain of our club.

The active participation of many of our club members has made the administration of the Club's activities relatively easy. Saturday morning help by Bruce Cooper, Harold Hunter, Frank McDaniel, Bill Gerard, Reid Mitchell, Dick Smith, Jack Jones, Cal Leatherby, and Dave Fairweather was most appreciated. (Hope I have recognized everyone.)

Neil Brett-Davies administered the *Away Game* at Royalwood. Thanks, Neil. The *McIntyre Shield* is being administered by Dick Smith's foursome while Wayne Ferrey and Bill McNichol will coordinate the LeBlanc Shield. Hugh Marshall and his foursome will administer the running of the *Designated Ball*

Competition and the last activity of the season will be handled by the Captain's Committee.

The *Palcutta* was a great success with some 16 teams entered. Thanks to John Dennison's fine auctioneering the bidding was very active. (Terry McDonald wants to thank you, John.)

During the season over 75% of our membership received honey pot money and/or par point awards (golf balls). On the day of our Annual Banquet at least 35 members will receive monetary awards and/or trophies for their play during the season.

Well done, gentlemen.

Stan Lawson

IN MEMORIAM

We were saddened to learn of the passing of Gerry Rovers on September 27 after a brief illness. Gerry was a long standing member of WPGC and former Social Chairman. He was also the current president of the UBC midweek group.

TREASURER'S REPORT

A review of our projected year-end expenses indicates we will finish the year close to the budgeted shortfall of \$1,146. This shortfall will be offset from our surplus which will result in a decrease in surplus to about \$2,000. As it is felt that we should not try to operate with a surplus of less than \$2,000, and it would appear that the expense side of the Club operation will remain about the same in the future, it is imperative that we increase our revenue. Therefore, our annual full membership fees, which have not increased in eight years will need to increase for the 2005 season by \$10. This will mean that the annual full membership fees will be \$100. Associate membership will remain the same at \$35. It is therefore highly desirable that as many

members as possible pay their fees at the Annual Banquet so that we may maintain our cash position.

Kris Guttormsson

REPORT FROM MEMBERSHIP

CHAIRMAN

ANNUAL DUES

Members \$100

Associates \$35

1. Payment is due by 31 Jan/05 otherwise there is a penalty of \$25
2. If payment is still outstanding on 28 Feb/05 it will be assumed that the member has resigned.
3. If, for any reason, a member is unable to continue playing he can opt for associate membership which provides the following benefits: inclusion in the Annual Banquet, Putting Jamboree, social events and free lunches at four events.
4. Dues can be paid at the Annual Banquet or else by mail to the treasurer, Kris Guttormsson.

TROPHY HUNT

Captain Lawson's energetic pursuit of more competitions of appeal to the membership has resulted in more winners worthy of recognition. We don't have enough trophies to go around. Anyone inclined to sponsor a new trophy should contact Neil Brett-Davies (604-929-1559) or any other member of the executive, quite soon. We will need these trophies for the Annual Meeting on Nov. 3.
